State Will Conduct Town-wide Survey Of Traffic Conditions; Community Must Make Decision

The Pennsylvania Highway Department will make a complete survey of conditions in Gettysburg, not only in Lincoln Square but throughout the borough, in so far as it affects state traffic. The Gettysburg Times was informed this morning by The Associated Press.

A. J. Bedard, district engineer for the state, told the Associated Press that the survey would require most of the winter. Upon its completion a full report will be submitted to the borough council.

"The community will be the sole determining factor as to what it wants done, after our survey is completed," Mr. Bedard declared.

Making Plans Now
The engineer said his office was now assembling maps and preparing plans for the survey. He did not say when the survey was expected to be started but indicated that it would be in the early future. He said the extent of the survey would embrace the entire borough of Gettysburg as it affects state traffic.

A report circulated by a nearby newspaper to the effect that state officials had adopted a "hands off policy" were labeled as unfounded and erroneous.

Six members of the local council had asked the state last Tuesday to make the survey looking toward the elimination of the center plot in Lincoln Square. This followed the surprise decision of the council to remove the plot and thus prevent the erection of a bronze statue of Abraham Lincoln in Lincoln Square.

Wave Of Protests
Since that time a wave of protests against the removal of the Lincoln plot have been leveled at council from many organizations. The Women's Civic Council, comprising representatives from women's organizations with a membership in excess of 2,000, have long campaigned for a Lincoln statue in the square.

Only one organization has approved council's action.

TWO COUNTIES OFFICERS FOR STATE CANNERS

David E. Winebrenner, III, of New Oxford, has been re-elected president of the Pennsylvania Canners association.

In an election held at the association's annual convention in Harrisburg, J. W. Fullerton, Hanover, was re-elected vice-president of the vegetable division.

Others re-elected were Ralph E. Arnold, Peach Glen, vice president, fruit division; Charles H. G. Sweigart, Coatesville, vice president, mushroom division, and William A. Free, Hungerford, executive secretary and treasurer.

Critique Federal Policy

Named to the board of directors were Alan Warehime, Hanover; J. R. Stuart, Somerset; Robert Schenkel, Greencastle, and J. B. Park, West Chester.

In an address before the opening day session, Henry P. Taylor, president of the National Canners association, criticized the federal government for "a delay in imposing price controls."

"The delay," said Taylor, "is reported due not only to a wish to delay wage controls until after the election, but to permit an opportunity for a round of wage increases first."

FOUR TREATED AFTER MISHAPS

Dean Chapman, aged five years, son of Mr. and Mrs. Curtis Chapman, Orrtanna R. 1, was treated at the Warner hospital for a fracture of his right forearm and brush burns of the face received Sunday when he was run over by an auto operated by his brother, Floyd.

Martha Martin, 22, Gettysburg R. 4, received treatment for a fracture of her left foot in a fall on steps at Shippensburg State Teachers' college Saturday.

Ralph DeMickie, 19, a student at Gettysburg college, was treated for a deep laceration of the scalp and minor lacerations of the right hand. He was injured when he fell down a stairway while carrying a crate of milk bottles.

Leroy Berry, 29, Gettysburg R. 1, received treatment for a laceration of the scalp sustained while wrestling.

TELLS ROTARY BEST THINGS ARE "OF THE SPIRIT"

"Thanksgiving should remind us that all the valuable things we have today are based on things of the spirit," Dr. Harry F. Baughman, of the faculty of the Gettysburg Lutheran Theological seminary, told the local Rotary club at its meeting Monday evening in the YWCA.

"There is danger that in our pride of material possession, we think of Thanksgiving only as a time to count our material gains. In a sense this is true. Thanksgiving is a time to count our material blessings, but only to render thanks to God for having given them to us."

"Look Into The Past"

"Wealth has been described as the possession of the valuable by the valiant. And this it must be, for there is always the danger that wealth will possess us."

"Thanksgiving day, as well as Dedication day, which we observed Sunday, should provide us time for a good long look to the past. Perhaps in this day of progress there are those who say, we should not look backward. But we need to look backward in order to see clearly ahead. Lincoln's Gettysburg address is a good example. He began 'Four score and seven years ago,' thus inviting us to look back to the beginnings; he ended with a challenge for the future to rededicate ourselves that government of the people, by the people, for the people shall not perish from the earth."

"Nations fall when they lose that vision of the spiritual values of things. When we seek to avoid sacrifice we generally end by facing disaster. When we adopt a Maginot line philosophy and feel secure behind our material resources we are not concerned with valency until too late we discover that nations fall not because of enemies without but because of the foe within."

"Only men can make a nation great and strong, and only men who have a deep appreciation of spiritual values. All through history civilizations have become great and then, surfeited by material success, have fallen. Our only hope to keep our own civilization from falling is our appreciation of religion—a religion that aims at the universality of things of the spirit."

Fifty-one attended the session at which Dr. Kenneth Smoke, the president, presided. The Rev. Wallace Fisher introduced the speaker.

REGRETS PLAN TO ERASE PLOT

John A. Zimmerman, adjutant of the local post of the United Spanish War Veterans has been named as a national aide on the staff of H. E. Williams, commander-in-chief of the national USWV organization.

A certificate naming Zimmerman to the post was received by him this week.

Zimmerman also received this week a letter from Pennsylvania Department Commander Fred Adams, Kingston, stating: "I think your post is right in opposing the removal of the Lincoln Square plot in Gettysburg. There should have been a monument placed there years ago. I remarked to Department Adjutant William O. Gibson, of Scranton, the last time I was there, that I thought it was a shame that there was no monument on that plot of ground in a historic town such as Gettysburg."

Zimmerman announced that the local Sgt. William M. Steffy camp No. 126 of the USWV and its auxiliary will hold their annual Christmas party on December 14 at 8 p.m. No meetings will be held in January or February.

Emmitsburg Car Crashes Into Pole

In a Carroll county, Md., accident over the week-end, the automobile of Alexander C. McNelly, 38, of R. 2, Emmitsburg, was demolished when it collided with a telephone pole off Route 92 near Taneytown. He sustained a lacerated nose and ear.

Charges of drunken and reckless driving were placed against McNelly by Corporal Richard E. Stallings of the state police. In a hearing before Magistrate Edward O. Weant, Jr., at Westminster, McNelly pleaded guilty to drunken driving and not guilty to reckless driving.

He was convicted and assessed \$25 and costs for reckless driving while a fine of \$100 and costs was suspended on the drunken driving charge.

33 Merchants Enter Contest

Thirty-three Gettysburg merchants thus far have entered the Christmas Window display contest sponsored by The Gettysburg Times for which \$150 in cash will be awarded the nine prize winners to be selected by out-of-town judges next Saturday evening at 7 o'clock.

Windows will be judged in three classifications with \$25, \$15 and \$10 prizes in each group.

Every merchant has an equal opportunity to win a prize regardless of the size or nature of his business and the size of his display.

The merchants entered in the contest thus far are:

Raymond's Home Furnishing, The Tailor Shop, Benn's, Bringham's Insurance Agency, The Lane Studio, Haines, The Shoe Wizard, Jack and Jill Shop, Martin's Shoe Store, The Coffman Fisher Co., Anna Brierer Specialty Shop, Dunlop Tire and Rubber Corp., Shuman's, Made-moiselle Shoppe, Blocher's Jewelry Store, Joe, The Motorist's Friend, Inc., Modern Miss Shop, Rea and Derick Drug Store, Harris Bros. Dept. Store, Peoples Drug Store, Helen L. Price, Tobey's, Adams County Electric Appliance Co., Service Supply Co., Kuhn's Millinery, Lippy's, Weishaar Brothers, Gay's Jewellers, Wayside Flower and Gift Shop, G. C. Murphy Company, Citizens Oil Company, Thompson's Ladies' Ready-to-Wear, Swartz's Television Store, The Bookmart.

Merchants may enter the contest anytime before Saturday.

LEGION PLANS KIDDY PARTY DECEMBER 21

The annual Christmas party for children of members will be held by the Albert J. Lentz post of the American Legion December 21 at 7 p.m. Wilmer E. Dracha announced Monday evening at the regular meeting of the post held in its home on Baltimore street.

Dracha, chairman of the committee in charge of the event, said that an animal act and a tight rope walking act have been secured for the party. Members of the Legion auxiliary will help take care of the youngsters at the affair, Dracha said.

Members of the post were urged to "talk up" the Tide of Toys program by Commander G. Noel Flynn.

"There are thousands of good toys available for shipment to youngsters in Europe," Flynn said. "It is just a question of asking everyone to give us their discarded toys at Christmas time. The toys should be in such condition that they can be repaired, should be sturdy enough that they can stand packaging and transportation to Europe and should not be toys of a warlike nature."

There are still hundreds of thousands of children in Europe whose parents were impoverished by the war and who have never had toys to play with. And there are thousands of war orphans who have never seen toys because the funds available must go for food and clothing and there is nothing left over for toys. We are not asking anyone to sacrifice anything. The toys we seek are the ones that will be replaced at Christmas time, the ones that are old, for our youngsters but will be new and wonderful to youngsters overseas."

The Tide of Toys collection will be made by the post between December 26 and January 7.

Richard L. Fox, finance officer of the post, was also named as its employment officer at Monday's meeting. The appointment was made following the reading of a letter from Department Commander Joseph S. McCracken stating that the Legion is becoming concerned over unemployment among members.

Commander Flynn urged members to pay their 1951 dues prior to December 31 in order to help the state department of the Legion reach its goal of 300,000 members by that date.

Three new members were accepted by the post: Frederick T. Barrett, Chambersburg; Roland Anthony D'Avanzo, 339 Carlisle street; and Earl M. Lehigh, Gettysburg R. 4.

Annual Service At Bendersville

The annual Thanksgiving Eve service will be held Wednesday evening at 7:30 o'clock in the Bendersville Methodist church.

The Rev. Richard H. L. Vanaman, pastor of the church, will conduct the service and the message will be delivered by the Rev. Dr. O. D. Coble, pastor of the Bendersville Lutheran church.

Special music will be presented by the sanctuary choir and the Methodist Minute Men quartet.

The public is invited to attend.

Major John C. Hollinger Is Promoted To Lieut. Colonel

Major John C. Hollinger former resident of Gettysburg, has been promoted to Lieutenant Colonel at the Medical Field Service School, Brooks Army Medical Center, Fort Sam Houston, Texas.

Colonel Hollinger is an instructor in the department of Combined Arms at the school which gives professional and technical training to officers and enlisted personnel in the Army Medical service.

Colonel Hollinger is a graduate of Gettysburg college in 1932 and after the recent war was acting professor of military science and tactics at his alma mater.

Wounded and captured in the Battle of the Bulge, he was liberated with other American prisoners of war with the collapse of Germany. Four years ago he was re-assigned to Germany for duty with the American occupation forces and then returned to this country after a three year tour of duty overseas. Last June he completed the special infantry course at Fort Benning, Georgia.

Sue For Damages Caused By Blaze

An action in trespass has been filed with the county prothonotary's office by George William and Margaret I. Moul. East Berlin, against Paul John March, East Berlin, seeking damages to a barn, pig pen and other property destroyed in a fire on the Moul property October 19, 1946.

The complaint filed by the Moul's states that March set fire to the barn, destroying the barn and its equipment, and also destroying a pig pen and damaging a tree. March was sentenced February 1, 1947, to from 3½ to seven years on an arson charge. The Moul's set the damages at \$13,731.20.

GUEST SPEAKER

Mrs. Kressman K. Taylor, novelist and member of the English department of Gettysburg college, was the guest speaker at the third annual Book and Author Luncheon Saturday sponsored by the Hanover Public Library Guild.

TO DEDICATE PARISH HALL

The new parish hall of St. John's Evangelical Lutheran church at Hampton will be formally dedicated on Sunday afternoon at 2 o'clock. The Rev. Dr. Dwight F. Putnam, president of the Central Pennsylvania Synod, will give the address and dedicate the building, assisted by Rev. Samuel M. Clarke, pastor.

The program will open with a brief welcome by Nancy Klinedinst. During the program a vocal solo will be given by Miss Delores King and Miss Shirley Starnier. Miss King will sing "Bless This House" by Taylor and Miss Starnier will sing "In The Temple" by Smith. Donald Gulden will present a piano solo.

The children of the Sunday school will sing "We Are Little Builders." The parish hall is 30 by 60 feet with kitchen 12 by 37 feet on the side. It is planned that a religious and social program be carried on in the hall as a benefit to the community.

HOMEMAKERS MEET

Mrs. E. G. Forney, Littlestown R. 1, was hostess to the Barlow Homemakers group last Friday evening. Mrs. Mervin H. Benner was chosen leader for the year. Thirteen persons were present and were given a schedule for the year's activities. Miss Mary Jane Mickey, home economics representative in Adams county, discussed meal planning.

Says 45,000 Soviet Agents Dominate Life Of Chinese

By MAX HARRISON
Lake Success, Nov. 21 (AP)—Nationalist China's T. F. Tsiang told the United Nations today 45,000 Soviet agents completely dominate the political, economic and cultural life of Communist China.

Events of the past 12 months, Tsiang said, have fully proved his charges that the Chinese civil war was engineered by Russia and that the Peiping regime is the stooge and tool of Moscow. He spoke before the General Assembly's 60-Nation Political committee.

Tsiang told the committee Russia has completely ignored the assembly's 1949 appeal to all nations to refrain from interfering in the internal affairs of China. He blamed Russia for the intervention of Communist China in the Korean war and said Russian imperialism was responsible for most of Asia's unrest.

He said the resistance movement on the China mainland is growing rapidly. Before September, 1949, he said, there were only some 395,000 men operating against the regime

86 ENROLLEES IN ACSCE GIVEN CREDIT CARDS

Eighty-six enrollees in the Adams County School of Christian Education received credit cards in the four courses, and eight others received second certificates of progress, at the close of the sessions Monday night at St. James church. The school opened October 16.

2 DEFENDANTS CONVICTED IN COURT; 1 PLEADS

Two defendants were found guilty and another pleaded guilty, prior to the start of his trial, in the current term of Adams county court.

James returned guilty verdicts against Howard Preston Hulshart, Stewartstown R. 1, charged with hit and run driving and Robert Kepner, Orrtanna R. 2, charged with drunken driving.

Eugene Shaffer, Hampton, charged with forgery, entered a plea of guilty while a jury was being drawn to hear his case.

Immediately after Hulshart was found guilty, at 3:45 o'clock Monday afternoon, his attorney Norman Petow, of York, made an oral motion for retrial and told the court he would present reasons why a new trial should be granted within the required four days. Hulshart was released on \$500 bail pending action on the motion for new trial.

Got Drunk After Crash He Says
Hulshart had been charged with hit and run driving after his truck collided with a truck driven by William Farmer, Shippensburg, on October 12, on the new Lincoln highway on Mount Newman. Hulshart had argued that he had been drinking and that he had "passed out" and had not known that his vehicle had struck Farmer's bakery truck. His attorney had disclosed that there was a drunken driving charge against Hulshart in Franklin county court in connection with his driving following the accident.

Kepner was charged with drunken driving after his car knocked down a mail box, smashed into a wall and ended up on the lawn of Donald Heffner, Cashtown. Kepner claimed he became intoxicated after the accident and before state police arrived to investigate. The jury spent 15 minutes in reaching its guilty verdict late this morning.

Hear Relief Case

A jury this afternoon was hearing a charge of violation of the public assistance law brought against Mrs. Lulu Thompson, Fairfield. She is charged with having accepted assistance checks while a son was working and she was receiving social security checks.

Members of the jury hearing the Thompson case include Mary J. Apple, Hotel Gettysburg; Mrs. Helen Eisenhart, Aspers; Clarence W. Epely, Jr., 257 Highland avenue; Mrs. Margaret Gladfelter, East Berlin; Erdene Haar, New Oxford R. D.

CLASSIS MEETS AT NEW OXFORD

The Gettysburg Classis Ministerium met at the parsonage of the Rev. Archie K. Rohrbaugh, pastor of the New Oxford charge, in New Oxford Monday afternoon. The opening devotions were in charge of the host pastor, the Rev. Mr. Rohrbaugh. Rev. Nevin R. Frantz, Arendtsville, reported on the consistorial banquet held at Arendtsville on November 2. The new Sunday school curriculum was discussed and a demonstration on visual aids was given by the Rev. Frank E. Reynolds, Littlestown. President Alton Lester of East Berlin was in charge of the business meeting. Rev. Rohrbaugh acted as secretary due to the absence of the secretary, Rev. Howard E. Sheely, Hanover. The meeting was closed with the benediction by the Rev. Mr. Lester. Refreshments were served by the host pastor.

Those present at the meeting were Rev. Dr. Paul Yoder, Codorus; Rev. Lester, East Berlin; Rev. Reynolds, Littlestown; Rev. Nevin R. Frantz, Arendtsville; Rev. Dr. Howard S. Fox, Gettysburg; Rev. Charles B. Robert, Littlestown; Rev. Dallas R. Kiebs, Fairfield; Rev. A. Calvin Renoll, Hanover; Rev. J. H. Ehlers, Hanover; Rev. William Jay, Bendersville; Rev. Albert E. Shanberger, Carlisle, and the host minister.

The next meeting of the Ministerium will be held in Littlestown on December 18. The paper of the day will be presented by Rev. William H. Banks, Hanover.

TRANSFERRED TO JAPAN

Cpl. Frank H. Fussel, Jr., son of Mr. and Mrs. Frank Fussel, 38 North Franklin street, has been transferred to Tokyo, Japan. Enlisting in the U. S. Air Force at Harrisburg, May 5, 1948, he received his basic training at Lackland air base in Texas and most recently was stationed at New Castle Air Base in Delaware. His address is now Cpl. Frank H. Fussel, Jr., APO 23997504, Fourth Air Police Squadron, APO 97, C. O. postmaster, San Francisco, Calif.

GOING TO CLEVELAND

Rev. Raymond P. Wiedner, 162 East 11th street, has been appointed delegate of the Cleveland convention of the National Council of churches of Christ in America. November 28. He will represent the Pennsylvania Council of Churches.

Holiday Hours At Local Post Office

Holiday hours will be observed at the Gettysburg post office on Thursday, Thanksgiving Day, Postmaster Lawrence E. Oyler announced today.

The lobby will be open from 8 a.m. to 5 p.m. There will be no window service and no city or rural delivery. Postmaster Oyler also announced receipt of the last of the series of commemorative stamps this year, the three-cent legislative National Capital Sesqui-Centennial commemorative.

CHEST DRIVE IS OVER \$2,100 SHORT OF GOAL

The Gettysburg Community Chest drive was still short \$2,147.30 of its 1950 goal of \$22,000 today, President Glenn Guise announced, following a meeting at the fire engine house Monday night. The drive was extended again to December 1.

Mr. Guise reported that total collections and pledges to date had reached \$19,852.70.

"There are still some solicitors who have not completed their work," Mr. Guise said. He made a special appeal today to all those who still have contacts to make to exert special efforts to complete their work and report as soon as possible. Some work still remains to be done by the "flying squadron," he added.

An appeal was also made to the public today. "If anyone has been missed, please call Mrs. Fred Pfeffer at Biele's insurance office, Baltimore street or mail your contribution to this office or to either of the two Gettysburg banks," Mr. Guise asked. "The campaign will close December 1, and we would like to have all reports and contributions in before that time," he said.

CHANGE NAME OF ART CLUB

The Adams county art club, meeting Monday evening at the YWCA, adopted the name "The Associated Arts and Crafts Guild of Adams county." Members said that the organization is made up not only of those who are interested in painting and similar forms of art work, but also those interested in crafts and handicraft of an artistic nature.

The group voted to keep the charter open until January 1 and to secure as many members as possible by that time. It has about 40 members at the present time.

In order to interest as many as possible, the guild plans to give instruction in linework, ceramics, oil and water color painting as part of its regular meetings after January 1. Those interested in learning how to work in any of the fields are invited to join. Mrs. A. H. Good, president of the group, declared.

For the December 18 meeting each member will bring an article carefully wrapped so that the contents cannot be determined. The wrapped articles will be auctioned off to members and funds raised in that fashion will be placed in the club treasury.

C. A. LONG, 58, DIES SUDDENLY

Charles A. Long, 58, died suddenly Monday afternoon at his home on North Queen street, Littlestown. Dr. C. G. Crist, county coroner, said death was caused by a heart condition.

A son of the late Augustus and Mary Thompson Long, he is survived by his wife, the former Martha Cromer; two daughters, Charlotte and Joan, both of Baltimore; three brothers, Harry B. Long, Littlestown; Robert J. Long, Littlestown; and Earl T. Long, Hanover; four sisters, Mrs. William Dutra, Hanover; Mrs. Laura Warner, Hanover; Mrs. Elsie Barr, McSherrytown; Mrs. Edward Morris, York; and three step sisters, Mrs. Curtis Hanner, Littlestown; Mrs. Rosa Daudelin, Baltimore, and Mrs. George Bumbaugh, Hagerstown.

A veteran of World War I, he was a member of the Ocker-Snyder Post No. 321, The American Legion, Littlestown, and Alpha Fire company No. 1, of Littlestown.

Funeral services Friday morning at 10 o'clock from the late home at the Rev. Fr. Edward Shumann, pastor of St. Aloysius church, officiating. Friends may call at the late home Thursday evening. Burial will be in the church cemetery.

OPEN FLOWER SHOP

Mr. and Mrs. Frank Murray, Gettysburg R. 4, today announced the opening of a flower shop and greenhouse at their home just beyond the Rock Creek bridge on the Harrisburg road. Mr. Murray, a veteran of World War II, is an experienced florist.

Yank Soldiers And Tanks Hit Manchurian Border Today

Seoul, Nov. 21 (AP)—Tank-supported U. S. infantrymen walked into deserted Hyesanjin on the Manchurian border today. Not a shot was fired.

Only the narrow, ice-coated Yalu river lay between them and Red Chinese territory. The troops—of the 17th Regimental Combat Team—were the first Americans to reach the Manchurian boundary.

U. S. war planes swooped low over the smoldering, bomb-wrecked town as weary infantrymen slog the last two miles through snow.

The only humans around were 15 villagers, garbed in black. They stood outside the town and bowed low as the unsmiling Americans marched by.

Town Is Deserted

Hyesanjin itself was deserted. Buildings that had survived the bombing were boarded up.

Maj. Gen. Edward M. Almond, 10th Corps commander, said the feat of the 17th Combat Team "divided enemy-held territory and isolated all significant forces east of the 127th meridian east longitude."

Reds still held a Japanese-built network of military roads on both sides of Hyesanjin. They were reported reorganizing in the mountains and north of the border.

In the northwest, the Reds also were reported building defenses.

The day's greatest and most peaceful feat was the conquest of Hyesanjin by the Seventh Division's 17th Regimental Combat Team. Officers said a military government would arrive in a few days and organize a free election.

Major John C. Hollinger Is Promoted To Lieut. Colonel

Major John C. Hollinger former resident of Gettysburg, has been promoted to Lieutenant Colonel at the Medical Field Service School, Brooks Army Medical Center, Fort Sam Houston, Texas.

Colonel Hollinger is an instructor in the department of Combined Arms at the school which gives professional and technical training to officers and enlisted personnel in the Army Medical Service.

Colonel Hollinger is a graduate of Gettysburg college in 1932 and after the recent war was acting professor of military science and tactics at his alma mater.

Wounded and captured in the Battle of the Bulge, he was liberated with other American prisoners of war with the collapse of Germany. Four years ago he was re-assigned to Germany for duty with the American occupation forces and then returned to this country after a three year tour of duty overseas. Last June he completed the special infantry course at Fort Benning, Georgia.

Sue For Damages Caused By Blaze

An action in trespass has been filed with the county prothonotary's office by George William and Margaret I. Moul, East Berlin, against Paul John March, East Berlin, seeking damages to a barn, pig pen and other property destroyed in a fire on the Moul property October 19, 1946.

The complaint filed by the Moul's states that March set fire to the barn, destroying the barn and its equipment, and also destroying a pig pen and damaging a tree. March was sentenced February 1, 1947, to from 3½ to seven years on an arson charge. The Moul's set the damages at \$13,731.20.

GUEST SPEAKER

Mrs. Kressman K. Taylor, novelist and member of the English department of Gettysburg college, was the guest speaker at the third annual Book and Author luncheon Saturday sponsored by the Hanover Public Library Guild.

TO DEDICATE PARISH HALL

The new parish hall of St. John's Evangelical Lutheran church at Hampton will be formally dedicated on Sunday afternoon at 2 o'clock. The Rev. Dr. Dwight F. Putman, president of the Central Pennsylvania Synod, will give the address and dedicate the building, assisted by Rev. Samuel M. Clarke, pastor.

The program will open with a brief welcome by Nancy Kilmindist. During the program a vocal solo will be given by Miss Delores King and Miss Shirley Starnier. Miss King will sing "Bless This House" by Taylor and Miss Starnier will sing "In the Temple" by Smith. Donald Gulden will present a piano solo.

The children of the Sunday school will sing "We Are Little Builders." The parish hall is 30 by 60 feet with kitchen 12 by 27 feet on the side. It is planned that a religious and social program be carried on in the hall as a benefit to the community.

HOMEMAKERS MEET

Mrs. E. G. Forney, Littlestown R. 1, was hostess to the Barlow Homemakers group last Friday evening. Mrs. Mervin H. Benner was chosen leader for the year. Thirteen persons were present and were given a schedule for the year's activities. Miss Mary Jane Mickey, home economics representative in Adams county, discussed meal planning.

Says 45,000 Soviet Agents Dominate Life Of Chinese

By MAX HARRERSON
Lake Success, Nov. 21 (AP) — Nationalist China's T. F. Tsiang told the United Nations today 45,000 Soviet agents completely dominate the political, economic and cultural life of Communist China.

Events of the past 12 months, Tsiang said, have fully proved his charges that the Chinese civil war was engineered by Russia and that the Peiping regime is the stooge and tool of Moscow. He spoke before the General Assembly's 60-Nation Political Committee.

Tsiang told the committee Russia has completely ignored the assembly's 1949 appeal to all nations to refrain from interfering in the internal affairs of China. He blamed Russia for the intervention of Communist China in the Korean war and said Russian imperialism was responsible for most of Asia's unrest.

He said the resistance movement on the China mainland is growing rapidly. Before September, 1949, he said, there were only some 395,000 men operating against the regime

2 DEFENDANTS CONVICTED IN COURT; 1 PLEADS

Two defendants were found guilty and another pleaded guilty, prior to the start of his trial, in the current term of Adams county court.

Juries returned guilty verdicts against Howard Preston Hulshart, Stewartstown R. 1, charged with hit and run driving and Robert Kepner, Orrtanna R. 2, charged with drunken driving.

Eugene Shaffer, Hampton, charged with forgery, entered a plea of guilty while a jury was being drawn to hear his case.

Immediately after Hulshart was found guilty, at 3:45 o'clock Monday afternoon, his attorney Norman Petow, of York, made an oral motion for retrial and told the court he would present reasons why a new trial should be granted within the required four days. Hulshart was released on \$500 bail pending action on the motion for new trial.

Got Drunk After Crash He Says
Hulshart had been charged with hit and run driving after his truck collided with a truck driven by William Farner, Shippensburg, on October 12, on the new Lincoln highway on Mount Newman. Hulshart had argued that he had been drinking and that he had "passed out" and had not known that his vehicle had struck Farner's bakery truck. His attorney had disclosed that there was a drunken driving charge against Hulshart in Franklin county court in connection with his driving following the accident.

Kepner was charged with drunken driving after his car knocked down a mail box, smashed into a wall and ended up on the lawn of Donald Heiner, Cashtown. Kepner claimed he became intoxicated after the accident and before state police arrived to investigate. The jury spent 15 minutes in reaching its guilty verdict late this morning.

Hear Relief Case
A jury this afternoon was hearing a charge of violation of the public assistance law brought against Mrs. Lulu Thompson, Fairfield. She is charged with having accepted assistance checks while a son was working and she was receiving social security checks.

Members of the jury hearing the Thompson case include Mary J. Apple, Hotel Gettysburg; Mrs. Helen Eisenhart, Aspers; Clarence W. Epely, Jr., 237 Highland avenue; Mrs. Margaret Gladfelter, East Berlin; Erdene Haar, New Oxford R. D.; (Continued on Page 2)

CLASSIS MEETS AT NEW OXFORD

The Gettysburg Classis Ministerium met at the parsonage of the Rev. Archie K. Rohrbach, pastor of the New Oxford church, in New Oxford Monday afternoon. The opening devotions were in charge of the host pastor, the Rev. Mr. Rohrbach. Rev. Nevin R. Frantz, Arendtsville, reported on the consistorial banquet held at Arendtsville on November 2. The new Sunday school curriculum was discussed and a demonstration on visual aids was given by the Rev. Frank E. Reynolds, Littlestown. President Alton Leister of East Berlin was in charge of the business meeting. Rev. Howard E. Sheely, Hanover. The meeting was closed with the benediction by the Rev. Mr. Leister. Refreshments were served by the host pastor.

Those present at the meeting were Rev. Dr. Paul Yoder, Codorus; Rev. Leister, East Berlin; Rev. Reynolds, Littlestown; Rev. Nevin R. Frantz, Arendtsville; Rev. Dr. Howard S. Fox, Gettysburg; Rev. Charles B. Rebert, Littlestown; Rev. Dallas R. Krebs, Fairfield; Rev. A. Calvin Renoll, Hanover; Rev. J. H. Ehlers, Hanover; Rev. William Jay, Benderville; Rev. Albert E. Shenberger, Carlisle, and the host minister.

The next meeting of the Ministerium will be held in Littlestown on December 18. The paper of the day will be presented by Rev. William H. Banks, Hanover.

TRANSFERRED TO JAPAN

Cpl. Frank H. Fissel, Jr., son of Mr. and Mrs. Frank Fissel, 38 North Franklin street, has been transferred to Tokyo, Japan. Enlisting in the U. S. Air Force at Harrisburg, May 5, 1948, he received his basic training at Lackland air base in Texas and most recently was stationed at New Castle Air Base in Delaware. His address is now Cpl. Frank H. Fissel, Jr., AP 23997504, Fourth Air Police Squadron, APO 9, C/o postmaster, San Francisco, Calif.

GOING TO CLEVELAND

Rev. Raymond F. Wieder, 162 East Middle street, has been appointed a delegate of the Cleveland convention of the National Council of churches of Christ in America. November 28. He will represent the Pennsylvania Council of Churches.

Holiday Hours At Local Post Office

Holiday hours will be observed at the Gettysburg post office on Thursday, Thanksgiving Day, Postmaster Lawrence E. Oyler announced today.

The lobby will be open from 8 a.m. to 5 p.m. There will be no window service and no city or rural delivery. Postmaster Oyler also announced receipt of the last of the series of commemorative stamps this year, the three-cent legislative National Capital Sesqui-Centennial commemorative.

CHEST DRIVE IS OVER \$2,100 SHORT OF GOAL

The Gettysburg Community Chest drive was still short \$2,147.30 of its 1950 goal of \$22,000 today, President Glenn Guise announced, following a meeting at the fire engine house Monday night. The drive was extended again to December 1.

Mr. Guise reported that total collections and pledges to date had reached \$19,852.70.

"There are still some solicitors who have not completed their work," Mr. Guise said. He made a special appeal today to all those who still have contacts to make to exert special efforts to complete their work and report as soon as possible. Some work still remains to be done by the "flying squadron," he added.

An appeal was also made to the public today. "If anyone has been missed, please call Mrs. Fred Pfeiffer at Bickle's insurance office, Baltimore street or mail your contribution to this office or to either of the two Gettysburg banks," Mr. Guise asked. "The campaign will close December 1, and we would like to have all reports and contributions in before that time," he said.

CHANGE NAME OF ART CLUB

The Adams county art club, meeting Monday evening at the YWCA, adopted the name "The Associated Arts and Crafts Guild of Adams county." Members said that the organization is made up not only of those who are interested in painting and similar forms of art work, but also those interested in crafts and handwork of an artistic nature.

The group voted to keep the charter open until January 1 and to secure as many members as possible by that time. It has about 40 members at the present time.

In order to interest as many as possible, the guild plans to give instruction in tinware, ceramics, oil and water color painting as part of its regular meetings after January 1. Those interested in learning how to work in any of the fields are invited to join. Mrs. A. H. Good, president of the group declared.

For the December 18 meeting each member will bring an article carefully wrapped so that the contents cannot be determined. The wrapped articles will be auctioned off to members and funds raised in that fashion will be placed in the club treasury.

C. A. LONG, 58, DIES SUDDENLY

Charles A. Long, 58, died suddenly Monday afternoon at his home on North Queen street, Littlestown. Dr. C. G. Crist, county coroner, said death was caused by a heart condition.

A son of the late Augustus and Mary Thompson Long, he is survived by his wife, the former Martha Cromer; two daughters, Charlotte and Joan, both of Baltimore; three brothers, Harry B. Long, Littlestown; Robert J. Long, Littlestown, and Earl T. Long, Hanover; four sisters, Mrs. William Dutta, Hanover; Mrs. Laura Warner, Hanover; Mrs. Elsie Bair, McSherrytown; Mrs. Edward Morris, York; and three step sisters, Mrs. Curtis Harner, Littlestown; Mrs. Rosa Daudelin, Baltimore, and Mrs. George Bumbaugh, Hagerstown.

A veteran of World War I, he was a member of the Ocker-Snyder Post No. 321, The American Legion, Littlestown, and Alpha Fire company No. 1, of Littlestown.

Funeral services Friday morning at 10 o'clock from the late home with the Rev. Fr. Edward Shanahan, pastor of St. Aloysius church, officiating. Friends may call at the late home Thursday evening. Burial will be in the church cemetery.

OPEN FLOWER SHOP

Mr. and Mrs. Frank Murray, Gettysburg R. 4, today announced the opening of a flower shop and greenhouse at their home just beyond the Rock Creek bridge on the Harrisburg road. Mr. Murray, a veteran of World War II, is an experienced florist.

Yank Soldiers And Tanks Hit Manchurian Border Today

Seoul, Nov. 21 (P)—Tank-supported U. S. infantrymen walked into deserted Hyesanjin on the Manchurian border today. Not a shot was fired.

Only the narrow, ice-coated Yalu river lay between them and Red Chinese territory. The troops—of the 17th Regimental Combat Team—were the first Americans to reach the Manchurian boundary.

U. S. war planes swooped low over the smoldering, bomb-wrecked town as weary infantrymen slogged the last two miles through snow.

The only humans around were 15 villagers, garbed in black. They stood outside the town and bowed low as the unsmiling Americans marched by.

Town Is Deserted

Hyesanjin itself was deserted. Buildings that had survived the bombing were boarded up.

Maj. Gen. Edward M. Almond, 10th Corps commander, said the feat of the 17th Combat Team "divided enemy-held territory and isolated all significant forces east of the 127th meridian east longitude."

Reds still held a Japanese-built network of military roads on both sides of Hyesanjin. They were reported reorganizing in the mountains and north of the border.

In the northwest, the Reds also were reported building defenses.

The day's greatest and most peaceful feat was the conquest of Hyesanjin by the Seventh Division's 17th Regimental Combat Team. Officers said a military government would arrive in a few days and organize a free election.

Minimum Of Losses

Maj. Gen. David Barr, commander of the Seventh Division, expressed thanks "We got here with a minimum cost in lives and equipment."

The infantrymen arrived in clear weather, and the comparatively warm temperature of 20 above. They had made a heroic march through 6,000-foot mountains, made possible by engineering feats "which would have done credit to Paul Bunyan."

Eleven tanks and rolling anti-aircraft batteries were in the column that covered the final two miles. They rolled into the town at 9:45 a.m. (7:45 p.m., EST Monday).

Col. Herbert B. Powell, commanding the 17th, said Red Manchuria was within easy artillery range, but his guns would not fire across the river "unless they fire at us first."

The weary infantrymen, veterans of an outfit which fought on Attu in the Aleutians during the second world war, reached the border just 22 days after they made an unopposed amphibious landing in Korea. The border was the end of a 100-mile march over treacherous mountain roads and across a 6,000-foot mountain range, and in temperatures that sometimes dropped below zero.

Local Stamp Club May Conduct Show

At a recent meeting of the Gettysburg Lincoln Stamp club plans for the ensuing year were discussed. The members are planning to have the first local stamp show within the year. This show will be open to all collectors of this area and will likely be non-competitive. If this show proves successful, future shows will be held each year and may be made competitive. The club also plans a series of lectures and visits to other clubs.

Membership is open to all collectors of high school age or above. Meetings are held at the Gettysburg high school building. Anyone wishing to join the club should contact Richard Folkenroth, 36 East Middle street, secretary of the club, or attend the next meeting, Friday, December 8, 7:30 p.m.

HOME IS QUARANTINED

The home of Mr. and Mrs. Andrew A. Lahman, Mt. Pleasant township, New Oxford R. 1, was quarantined for scarlet fever Monday afternoon by State Sanitarian William I. Shields. A six-year-old son, Robert W. Lahman, a pupil in the New Oxford schools, was stricken with what was later diagnosed as scarlet fever last Friday.

BOOTH GIRL IS RETURNED HOME; NURSE IS HELD

Harrisburg, Pa., Nov. 20 (AP)—Bright-eyed little Deborah Booth, who disappeared Friday with her nurse, was home today with her widowed mother, and her brother and sister.

The flaxen-haired, two and a half-year old was the subject of a wide-spread search before she was found with her nurse in a Philadelphia railroad station last night.

The nurse, 18-year-old Mary Margaret Williams, of nearby Steelton, was being held on an open charge in the Dauphin county jail. District Attorney Carl B. Schellley said a decision might be reached later today as to specific charges against the nurse.

Explains Actions

Philadelphia Detective James A. McTague said the nursemaid told him she took the child because she felt "Deborah was not being brought up in a Christian home."

Detective Alfred Verbecken of the state police said Miss Williams had been placed on probation with juvenile authorities after she ran away from home several times previously.

To top off little Deborah's excitement 48 hours, the state police returned the family and the nurse to Harrisburg struck a deer on the New Philadelphia extension of the Pennsylvania turnpike last night. No one was injured, although the side of the car was damaged.

Photo Led to Child

A newspaper photo of the child paved the way to Deborah's return when a Travelers' Aid agent recognized it as the "deserted widow and child" she had helped at the Philadelphia Broad street station.

The agent, Mrs. Spahr Hull, who had placed the nursemaid and the child in a private home, tipped off the police and arranged to have the nurse and the child brought to the station where police intercepted them.

Mrs. Booth, whose husband was killed in an automobile accident a year ago, rushed to Philadelphia with her father, Farley Gaunett, prominent Harrisburg engineer.

Mother Is News Writer

The mother, reported on the verge of collapse from nervous exhaustion earlier in the day, hurried into the City Hall Detective bureau and swept Deborah into her arms and kissed her. Mrs. Williams stood by, weeping nervously.

The little tyke whispered: "I love you, Mommy."

Mrs. Booth denied that her home in an exclusive Harrisburg residential section along the Susquehanna river was "not a Christian home."

Emmitsburg LATVIAN GIRL WINS CONTEST ON DEMOCRACY

Miss Maria Eksteins, a former student at Gettysburg high school, which she entered when her family came to this country as displaced persons from Latvia, recently won an oratorical contest in a "Voice of Democracy" program at Clear Springs Md., high school. She will represent the school in the Washington county, Md. contest over WJED Hagerstown.

Miss Eksteins and her brother, Jaris, entered school here in December, 1949. With their parents, Maria and Mrs. Valfrus Eksteins, they lived at the home of Otto Ulman, Gettysburg R. 2, until May, 1950, when they moved to the Corbett turkey farm near Clear Springs. The Eksteins came to America sponsored by Mr. Ulrich and the Grace Lutheran church of Baltimore.

It was a talk on democracy which won for Miss Eksteins the Clear Springs championship. She started her study of the English language about four years ago when she was in a displaced persons camp in Germany. She wrote her first draft of the oration in Latvian and then translated it into English.

One of the most complete and successful "Every Member" canvasses ever made by Elias Evangelical Lutheran church was carried out Sunday under the direction of the pastor and the canvass committee, with Charles L. Sharrer as chairman. The entire parish was divided into territories assigned to the visitors. A large group of men selected by the pastor and the committee was called to the altar at the Sunday morning service and commissioned formally for the mission of visiting personally every home in the parish during the afternoon and evening.

The customary Union Thanksgiving service will be held in the Emmitsburg Lutheran church Thursday at 10 a.m. The church choir will sing an anthem, under the direction of Mrs. Regina Zepp, with Miss Ruth Shuff, organist. The pastor will conduct the service with the Rev. Charles Owens, Rev. Edmund Welker and Rev. Adam Grim assisting in the service. The sermon will be delivered by Rev. Grim, pastor of the Methodist church.

A financial report will be given by Frank Weant, treasurer of the Thanksgiving fund, and an offering for that fund will be received. The Emmitsburg Thanksgiving fund, to gether with the Union service, is an old institution in the community.

Started over 50 years ago it has continued without interruption. A committee of four laymen, one from each Protestant church, administers the fund for assistance to any worthy poor in the community. The offerings have been sufficient to meet emergencies arising from time to time in the community and a helpful service has been done through the years. The service rotates among churches.

"What are these things?" she asked detectives.

The mother, who is employed as a writer by a Harrisburg news agency, lives alone with Deborah and her other two children, Marcia, seven, and Michael, six.

KITTEN TURNS UP

Buffalo, N. Y., Nov. 20 (AP)—A month-old kitten, napping in a pie shop laundry bag, got taken to the cleaners by mistake. The next day, shop employees missed the kitten and called up the laundry. A search through a stack of bags of soiled linen turned up the kitten, none the worse for the experience.

Happy Is The Day When Backache Goes Away

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent urinations may result from minor bladder irritations, due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often of course occur, it's amazing how many times Doan's give happy relief - help the 15 miles of kidney tubes and filters flush out waste. Get Doan's. Pills today!

TOWN'S XMAS DECORATIONS BEING PLACED

Employees of the Metropolitan Edison company this morning began stringing wires and colored lights on Baltimore street for the Christmas lighting decorations which are scheduled to be turned on Saturday evening. Lights will be strung in the center plot of Lincoln Square and in the first blocks of the four radiating business streets.

The lighting project this year was taken over by the Exchange club, which Monday afternoon brought a large Christmas tree to the square. It will be erected and decorated in the center plot. Workmen of the Metropolitan Edison were prevented from erecting it today by the high wind.

The tree was cut Monday by members of the Exchange club, assisted by Edgar Shearer of the Shearer Tree Surgeons firm. It was loaded on a truck of one of the club's members by Morris Gillin, and unloaded by the Adams Electric Cooperative, Inc.

The tree, Exchange club members said, is between 50 and 60 feet in height, and it was estimated that it weighs at least a ton. Branches have a 25 to 30-foot spread.

A log cabin owned by Dan Greenawalt, Exchange club member, will be placed near the tree with a figure of Santa Claus.

PLAN CC DINNER ON NOVEMBER 30

The annual membership dinner of the Gettysburg Chamber of Commerce will be held Thursday evening, November 30, at the Hotel Gettysburg at 6:30 o'clock. Mrs. Helen Snyder, secretary of the Chamber, announced today.

The principal speaker will be John T. Soltmann, assistant manager, northeast division of the United States Chamber of Commerce, New York city.

In addition to the speaker, there will be entertainment, and the election of three directors. Those whose terms expire are Edmund W. Thomas, Eugene V. Bulleit and George M. Zerfing. Cards were sent out today to Chamber members and Mrs. Snyder asked that members notify her as soon as possible whether they will attend the dinner.

There will be no charge for members. The latter will be allowed to bring guests, but must pay for the extra tickets.

PLAN XMAS PROGRAM

The McKnightstown Reformed church will present its Christmas program Sunday evening, December 24, at 7 o'clock. There will be a play "The Faithful Pioneer."

CHURCHMEN TO MEET

The Men of Trinity Evangelical and Reformed church will meet Wednesday night at 8 o'clock at the church. William Scott will be the leader.

SEMINARY GRAD IS GIVEN CALL

Members of the Lemasters Lutheran parish, composed of churches in Lemasters, Williamson and Up-ton, Sunday extended a call to the Rev. Irwin E. Heckman, 52, of Fremont, Nebraska, to become pastor of the parish. The three churches have a combined confirmed membership of 400.

The Rev. Mr. Heckman now serving as district superintendent of the Lutheran Hospitals and Homes Society of the Nebraska Synod, preached trial sermons at each of the parish churches Sunday.

With the approval of the membership of each church, the joint parish council held a meeting after the Williamson service and extended the call to Rev. Heckman. Indicating his acceptance at that time, Rev. Heckman said he hoped to take up his pastoral duties in the county by January 1.

The Rev. Mr. Heckman will succeed the Rev. Frank L. Ziegler, who resigned on September 1.

A graduate of Lutheran Theological seminary here in 1934, Mr. Heckman served as pastor of the Sugar Valley-Salona parish at Loganston from 1934 through 1937. His second pastorate at Zion church, Prater-ville, extended from 1937 until 1943, when he became a chaplain in the U. S. Army, serving in that capacity until June of 1946. Following his release from Army duty, Mr. Heckman enrolled at Mt. Airy Seminary and received his Master of Sacred Theology degree after a year's study. He has served the Nebraska Synod social mission in his present capacity since 1947.

A native of Ambler, Mr. Heckman is married and the father of three children. Two of his children are married and reside in Allentown. The third is a student at a Nebraska college.

SNOW SQUALLS ARRIVE TODAY

Adams county may be in for its first taste of real winter with the temperature already tumbled sharply from Monday's high of 59 degrees by chill northwest winds that brought snow flurries this morning. At 1:30 o'clock this afternoon, the temperature stood at 37 degrees at the Gettysburg Times weather station with colder weather forecast for tonight. Last night's low was 34 degrees.

Snow squalls and winds ranging up to 50 miles an hour today gave most Pennsylvanians a warning of winter. Scores of trees, signboards, electric wires and telephone lines were blown down by the high winds last night. Snow flurries, whipped by gale-like winds, made driving hazardous on many of the state's highways.

At least one death was reported in the eastern part of the common-wealth as directly caused by the weather. Rudolph Witzel, 27-year-old carpenter working on the Philadelphia State hospital at Byberry, was killed by a piece of plywood blown from the unfinished second floor of a partly-constructed building.

Mrs. Elizabeth Levis, 85, a resident of Upper Darby—a Philadelphia suburb—sustained a hip fracture when blown off her feet by a gust of wind.

A 20-by-40-foot section of roof was blown off the Walton Public school in Philadelphia while classes were in session yesterday. No one was injured.

Continues Case Of Stolen Diamond Ring

Justice of the Peace John H. Base-hore this morning continued, without date, the case of Dwight (Whitey) Johnson, Carlisle street, charged by Mrs. Esther Bolen, 224 Baltimore street, with the theft of a diamond ring.

The action was taken following a hearing on the larceny charge, at which Mrs. Bolen, who had charged that Johnson took her ring from her pocketbook in a local restaurant the night of November 11, identified a ring found on Baltimore street as the one she had said Johnson took.

The ring, authorities said, was found by a Baltimore street resident the following Monday while sweeping up leaves on his sidewalk. Squire Basehore said he turned the ring over to borough police for positive identification.

TRIO GIVES BAIL

Three countians, Glenn T. Miller, Gettysburg R. 5; Roy J. Wolfe, Littlestown R. 2; and Walter Kennedy, Gettysburg, signed pleas of guilty before Justice of the Peace Robert P. Snyder Monday night and this morning on charges of contributing to the delinquency of a female minor. All three furnished bail for court.

FURNISHES BAIL

Arthur Topper, Abbottstown, this morning furnished \$1,000 bail before Justice of the Peace John H. Basehore for a hearing Friday morning on a surety of the peace charge. His wife, Anna, fled the charge.

Wedding

Coppersmith—Crouse

Miss Phyllis Mae Crouse, daughter of Mr. and Mrs. Herbert H. Crouse, Hanover, and Charles William Coppersmith, son of Mr. and Mrs. Elmer Coppersmith, Hanover R. 1, were married Sunday at 2 p.m. in St. Mark's Lutheran church, Han-over. The double ring ceremony was performed by the pastor, the Rev. Dr. John S. Tome. Preceding the ceremony, a recital was presented by Mrs. George Fair, Gettysburg, soloist, and Miss Doris Baker, church organist. The matron of honor was Mrs. Mary Toomey, Hanover R. 4. Roger Toomey, Hanover, served as best man. A reception at the home of the bride's parents was held immediately following the ceremony, after which the newlyweds left on a trip. The bride was graduated from the Hanover high school with the class of 1950 and is employed by the L. E. Beaudin Shoe company. The bridegroom was graduated from the Littlestown high school, class of 1946, and is employed by the Han-over Shoe Farms.

DEATHS

Mrs. Raymond English

Mrs. Mary A. English, 56, wife of Raymond English, Laytonsville, Md., died Saturday at Garfield hospital, Washington. She was a daughter of the late William and Elizabeth Long, Frederick county. Surviving besides her husband are these children: William R. English, Great Mills; Harold R. English, and George K. English, both of Laytonsville; four sisters, Mrs. Beulah Keilholz, Em-mitsburg; Mrs. Stella Harbaugh, Loy's; Mrs. Pauline Stambaugh, Union Bridge; Mrs. Blanche Harbaugh, Thurmont; brothers, John Long, Matthews; Samuel Long, Graceham; Frank Long, Graceham; Edward Long, Loy's; Lowell Long, Thurmont; Theodore Long, Woods-boro. Funeral services were conducted Monday at 2 p.m. at the late residence. Interment in Lay-tonsville cemetery.

Alanson A. Cramer
(Special To The Gettysburg Times)
Washington, D. C. Nov. 21—Fu-neral services for Alanson A. Cramer, 82, retired carpenter, who died Sunday in a Takoma Park nursing home, were held at 2 o'clock this afternoon at the Adelphi Seventh Day Adventist church at Hyattsville, with interment in George Washington cemetery.

Among the survivors is a daughter, Mrs. Esther Cruze, of Gettysburg. Mr. Cramer was a native of Piermont, N. Y. He came to Wash-ington in 1922, and retired 15 years ago. Other survivors include five sons and two other daughters.

2 DEFENDANTS

(Continued from Page 1)

P. S. Peters, Benderville; Mary Sanders, Hanover R. 4; Dorsey A. Shultz, Cashtown; R. Mervin Sing-ley, McKnightstown; Lillian B. Stockham, New Oxford R. D.; Henry Wagner, Table Rock and Marie A. Zeigler, 33 East Lincoln avenue.

The jury that heard the Kepner case included Clarence Boyd, Littlestown R. 2; Mrs. Alma Bowers, Stevens street; William Critzman, Chambersburg street; J. S. Dear-ridge, Aspers R. 1; John H. Flickinger, Littlestown; Lewis H. Fox, Littlestown; R. H. Higinbotham, New Oxford R. 1; John Kendeheart, High-land avenue; William Randall, Han-over; Paul C. Riley, York Springs R. 1; Charles E. Wolfe, Gettysburg R. 5 and Edgar Woodward, Biglerville.

A hearing on a petition to show cause why the bill of indictment against Albert E. Wolford should not be quashed will be heard Wednesday morning at 9:30 o'clock, Judge W. C. Sheely ruled Monday afternoon.

Sidney E. Friedman, attorney for Wolford, presented the petition Monday afternoon. In his petition Wolford claims that the indictment handed down against him for viola-tion of the bulk sales act by the August grand jury on September 18 is illegal because the grand jury had no authority to return an indictment to a term of court prior in time to the date of its existence as a grand jury and because the indictment differs from the information on the justice of peace's docket.

The court appointed Morris L. Ensor as auditor of Reading township succeeding Lewis E. Shelleman, deceased. The appointment was made on petition of residents of the township. Shelleman had been elected in 1947.

Letters to the Editor

Dear Sir:

It has always been the proud privilege of the Sons of Union Veterans of the Civil War to fly our country's flag in front of the G.A.R. post here at Gettysburg.

To our knowledge we have never missed a single occasion to fly "Old Glory" and please God, as long as there is an active son of a veteran still living in this great land of ours we never shall.

It is true that we were late in flying the flag on November 19th at sunrise, for which we deserve right-ful criticism. It was a mistake for which we apologize, but the flag was flying soon afterwards on the same date. There was no intention to show discourtesy or disrespect to our country's flag.

We wish to encourage the love of the flag of our country and for what it stands in these critical times when Communists and weak citizens seek to overthrow our country.

No one is more concerned with the future generations of Americans yet unborn, than the Sons of Union Veterans of the Civil War.

We hope to pass on to our children and our children's children the love and patriotism and the reminder that all men in order to remain free must keep in their hearts the will to sacrifice everything, even life itself, for our great heritage.

We wish to commend our alert citizenry for any constructive criticism at any time.

If it helps to make a more patriotic and a stronger America we will always add our sincere support.

November 16, 1950

Dear Sir,

The removal of the plot in Lincoln Square has long ended as a "dis-cussion," for lack of "pros." Or is it that our good editor is biased in his opinion? Perhaps a few subscrib-ers would like to weigh this sugges-tion:

After the plot has been removed and traffic signals properly installed, erect your statue of Lincoln and place it on the arc formed by the Gettysburg hotel and the Weaver building, thus Gettysburg retains its "Lincoln Square" and rid itself of an unquestionably great traffic haz-ard.

How would our great Lincoln feel if he were forced to sit in the "plot" and listen to clanging metal, crashing glass, and screaming ped-estrians?

TWO KILLED AS TRUCKS CRASH

Two men, one from Frederick, were killed, and a third also of Frederick county, was injured early Monday in the flaming wreck of two large trailer trucks on Route 50, near Smithsburg, W. Va. The Associated Press reported.

The dead were identified as: David Nelson Hardman, Jr., 32, of Frederick, and George Buckley, 23, of Parkersburg, W. Va. I. Staley Grimes, Lewistown who will be 37 years old December 22, was the only survivor. Grimes was taken in an ambulance to a Clarksburg (St. Mary's) hospital.

Sheriff Paul B. Davis said a truck driven by Buckley and one driven by Hardman collided head-on about 5:45 a.m. and burned.

Acetylene Cylinders

Davis said the truck driven by Buckley was operated by the Air Reduction corporation and was load-ed with cylinders of acetylene. Hard-man drove a truck leased by the Masser Motor Express company of Hagerstown. It was loaded with general merchandise including paints and oils.

Buckley was alone in the Air Reduction truck. Grimes was the only other occupant of the other vehicle.

Mrs. Grimes said her husband was transporting a cargo on his trailer unit at the time for the Masser com-pany. Hardman was employed by him as a driver.

Hardman was a son of David N. Hardman and the late Harriet O'Connor Hardman, of Emmitsburg. Besides his father, who resides in Frederick, he is survived by his wife, Mrs. Alta Cordell Cromwell Hardman; a son, David A. Hard-man, at home; his step-mother, Mrs. Iva Hardman; brothers and sisters, Mrs. John Pultz, Mrs. Monroe Hahn, Mountandale; Mrs. James Fliby, Mrs. William Zimmerman, John and Charles Hardman, Frederick. A number of nieces and nephews also survive.

HOSPITAL REPORT

Carolyn Shriver, Gettysburg R. 1, a student at Gettysburg high school, was treated at the Warner hospital this morning for a sprain of her right knee sustained in a fall on steps at the school. She later re-turned to classes.

Admissions: Mrs. Louine Wailes, Fairfield R. 2; Mrs. Alvin Mummert, Biglerville R. 1; Mrs. Carl Seifrit, Biglerville; Gerard Feeney, a student at Mt. St. Mary's college; Mrs. Bruce Hoffman, Littlestown R. 2; Buelah Glass, Emmitsburg R. 2.

Discharges: Mrs. William Smith and infant son, Emmitsburg; Mrs. Donald Kuhn and infant son, Cash-town; Barbara Kennell, Gettysburg R. 2; and Mrs. Lawrence Johnson, Gettysburg R. 1.

\$500 Damage Caused When Cars Collide

An automobile operated by George E. Barnes, 24, of Andalusia, Ala., collided with a car driven by Eugene F. Ecker, 17, of York Springs R. 2, an eighth of a mile north of Heidlers-burg at 7:30 o'clock Monday night on the Gettysburg-Harrisburg road, state police of the Gettysburg sub-station reported today.

Police said Ecker was driving east on a township road which intersects with the Harrisburg road, and swung into the latter highway. As he did so, his motor stalled. Barnes, driving south, came over the crest of a grade, and swung left in an attempt to avoid the Ecker car. His right front fender struck the left front of the Ecker car, police said.

The Ecker car is owned by Maurice Ecker. Damage to it was estimated at \$150, and damage to the Barnes car at \$350. No one was injured.

Named Judge In

Utility Contest

Edmund W. Thomas, president of the First National bank, has been named one of the judges in a con-test sponsored by the Metropolitan Edison company, according to an article in the current issue of the MECO magazine.

The Metropolitan Edison offers \$600 in prizes in U. S. Savings bonds for completing the sentence, "Gov-ernment In Business Hurts Me Be-cause. . ." Entries of from 50 to 500 words are to be mailed prior to December 15 to "Reddy Kilowatt," room 804, 412 Washington street, Reading, Pa.

Offers Reward For Facts On BB Gunners

C. W. Epley, proprietor of the Studebaker garage, Chambersburg and South Washington streets, to-day offered a reward of \$25 for in-formation leading to the apprehen-sion of the person or persons who have damaged windshields of cars and trucks in his used car lot with BB rifles.

"During recent months I have suffered heavy losses through dam-age to automobiles and I am de-termined to put a stop to these de-gradations," an advertisement in to-day's The Gettysburg Times said. Epley reported to borough police this morning that several windshields and windows had again been dam-aged in his car lot.

OKLAHOMA GETS TOP SPOT IN FOOTBALL POLL

New York, Nov. 21 (AP)—The University of Oklahoma, knocking on the front door in the weekly Associated Press football poll all season, finally got into the living room today as the nation's No. 1 team.

Now the question is: Can the rampaging Sooners coach Bud Wilkinson retain that lofty perch until the end of this unpredictable season, and become the first member of the Big Seven conference to cap this mythical football crown? Oklahoma was voted the No. 2 team last year when Notre Dame ended the season as the No. 1 club.

Unlike recent years, when a mighty Notre Dame, Michigan or Army team led the poll week after week through the long fall, Oklahoma is the fifth outfit to hold the No. 1 spot this season.

Oklahoma, which blasted Missouri last week 41-7, to run its unbeaten string to 29 straight, replaced Ohio State. The Buckeyes, who lost to Illinois, fell from first to eighth place.

In seven previous polls this fall, Oklahoma was voted third four times as the nation's sportswriters and sportscasters put the finger on other teams. The Sooners were rated No. 2 twice, and No. 5 in the first poll, October 2.

Wilkinson Speechless
Wilkinson was almost speechless when advised his team had been voted No. 1 with a total of 2,964 points. This was 526 better than Army.

Oklahoma, voted No. 1 with 2,964 points, polled 173 first place votes, compared with 36 for Army, and 55 for Kentucky, which moved into third for the first time this year. Army, winner over Stanford in the rain and mud, 7-0, received 2,438 points and Kentucky, which walloped helpless North Dakota, 83-0, got 2,346. Kentucky was fifth a week ago.

California, with 20 first place votes, held its fourth place rating for the second week in a row with 2,188 points. The Golden Bears also overcame San Francisco in the mud, 13-7.

Texas moved from sixth to fifth, as the Longhorns trimmed Texas Christian, 21-7, while Illinois, eighth a week ago, advanced to sixth by defeating Ohio State 14-7. The Texas victory assured a Cotton Bowl berth as well as the Southwest conference title.

Princeton hung on to seventh place, lashing Yale, 47-21. In ninth and tenth places are Tennessee and Michigan State, which held the same ranking last week.

Bullet Cage Tickets Are Still Available

A number of season tickets for reserved seats at home basketball games of Gettysburg college for the coming campaign are still available at the college athletic office or the Brucher and Bender drug store, Chambersburg street, it was revealed today by Prof. C. E. Billheimer, college athletic director.

The home schedule is perhaps the most attractive in Bullet history. It consists of 13 games including such standout attractions as Pitt, Cornell, Lafayette, Muhlenberg, Dickinson, Bucknell and Carnegie Tech. The season opens Saturday, December 9, when Pitt plays here.

The price of a season ticket is \$18.

Maryland And Texas Aggies May Meet

Washington, Nov. 21 (AP)—American Legion sponsors of the game were reported today to name Maryland and the Texas Aggies as opponents in the President's cup football contest to be played at College Park, Md., Dec. 9.

Game officials would not confirm that those two teams had been selected, but said an announcement of the opponents could probably be expected in the afternoon. Unofficially, all signs pointed to the Aggies and Terrapins as contestants in the event to be staged for benefit of the Legion Welfare fund.

The Washington Post and the Dallas News both said those two teams had been chosen. The Houston Chronicle said they had been invited.

Byrd stadium, the brand new site of the grand-new contest, is located at the University of Maryland, just outside Washington. President Truman endorsed the contest when Legion officials suggested it as a means of raising money for Legion rehabilitation activities.

Lehigh Turns Down Football Bowl Bids

Bethlehem, Nov. 21 (AP)—Lehigh university announced Monday that its unbeaten football team will not play in any post-season bowl games. Dr. Martin D. Whitaker, president of Lehigh, said in a statement:

"It has been decided that the Lehigh football team will not participate in a post-season game. This decision was reached after careful consideration of the various factors involved and after consultations with representatives of the trustees, faculty, alumni and student body."

Lehigh wound up its first unbeaten season in 67 years of football last Saturday with a 38-to-0 victory over Lafayette.

Numerous feelers looking toward bowl invitations included one from the Sun Bowl at El Paso, Texas.

ROY HAMEY TO JOIN YANKEES

New York, Nov. 21 (AP)—Roy Hamey, one of baseball's top executives, is going back to work for his first love, New York Yankees, the world champions.

Hamey, general manager of the Pittsburgh Pirates the past four years, will sever connections with the Pirates on December 1 and become assistant general manager for the Yanks.

The 48-year-old executive decided to break off with the Pirates although his reported \$40,000 a year contract doesn't expire until 1952. Hamey's status with the Pirates has been in doubt since Branch Rickey recently was signed as vice president and general manager of the Bucs.

Hamey said, "I feel very badly about leaving Pittsburgh where I had some wonderful associations. But I feel as though I were returning home after my many years of association with the Yankees."

Vice President Thomas Johnson of the Pirates said that "Hamey asked to be released from his contract, which runs until 1952, because he thought that might make it easier for Rickey."

Hamey joined the Yankees organization as general manager of Binghamton in 1934. In 1946 he was appointed president of the American association and the following year joined the Pirates as general manager.

Shea Again Wins Cross-Country Run

New York, Nov. 21 (AP)—If Dick Shea of Army keeps going at his present rate, no one is going to show up for next year's IC4-A cross-country championship.

He now has won eight harrier races in a row, including yesterday's 42nd renewal of the IC4-A grind over Van Cortlandt Park's treacherous five-mile course. It was the second straight year he won it.

Yesterday's race was run under wretched conditions. At times Shea had to slog through mud and fight a blinding rain.

Pitt Is Favored Over Penn State

Pittsburgh, Nov. 21 (AP)—Sixteen Panthers and 10 Nittany Lions will end their collegiate football careers here Saturday as the University of Pittsburgh and Penn State clash for the 50th time.

Although Pitt has won only one game it is given a slight edge over the visitors. The Panthers have won 29 games in the long series, lost 18 and tied two.

Coach Len Casanova says his Pitt squad will be at full strength for the contest. Halfbacks, Armand DiPonso and Tony Simile, who have not seen action for several weeks, are expected to play.

Freshmen teams of the two schools are scheduled to play here Friday. The game originally was carded for Saturday morning.

GERRY NUGENT AGAIN TO HEAD BASEBALL LOOP

Harrisburg, Nov. 21 (AP)—Gerry Nugent, one-time Philadelphia Phillies owner, will be president of the Interstate Class "B" league for another three years.

The league announced renewal of Nugent's contract at a meeting of its members last night.

Nugent also will continue as secretary and treasurer of the league. He stays on at the same salary—\$3,500 plus \$400 office rental allowance.

George Smith, was announced as the new owner of the Trenton club, which Smith said, has signed a working agreement with the Philadelphia Athletics.

The 1951 season will see the revival of the league's all-star game in early July. It will feature fan-selected teams representing the eastern and western sections of the circuit.

The east includes Allentown, Lancaster, Trenton and Wilmington while the west is comprised of Harrisburg, Hagerstown, Sunbury and York.

Site of the game will be the city having the largest total attendance as of July 1.

Eddie Horgan, business manager of the Wilmington team, was elected vice president, succeeding G. H. (Dick) Pool, Harrisburg Henry Ness, York, and Bill McKechnie, Jr., Sunbury, and Smith were elected directors.

McKechnie said league representatives will vote "no" on a National association convention amendment to abolish radio and television transmission of major league games.

He said the league favors only "limited broadcasts" but is not in favor of "complete abolishment" of radio and telecasting.

Griffith Seeks Lou Boudreau

Washington, Nov. 21 (AP)—Clark Griffith set two goals for himself on his 81st birthday yesterday—the first one being acquisition of Lou Boudreau to play shortstop for the Washington Senators.

Griffith said at a big birthday party that he made an offer last week to Boudreau, the Cleveland Indians' former manager and star shortstop. He indicated he hopes to hear something by next Monday.

Boudreau, a free agent since his release by the Indians, said at his home in Harvey, Ill., that there was "nothing new on the subject—I won't make a decision until later on."

He reportedly has had offers also from the New York Yankees and the Boston Red Sox. And there has been talk he might wind up managing the Pittsburgh Pirates.

GRID CIRCUIT ADDS MEMBER; PICK OFFICERS

An eleventh school, Southern Lancaster County Joint high school, Quarryville, was admitted to the conference of the Roses at a meeting of the conference held Monday evening in the Biglerville high school cafeteria. The other 10 schools voted unanimously for the admission of the new school which will be eligible for league honors next year.

Fifty-seven persons attended the dinner-meeting which was served by the cafeteria staff.

Officers were elected as follows: President, D. W. Witmer, Manheim Central high school; vice president, R. E. Swank, Palmyra, and secretary-treasurer, Allen H. Hammon, Ephrata, re-elected. Witmer succeeds Prof. Charles L. Yost, Biglerville, who presided at the meeting.

Two football trophies were presented to Palmyra high school by Prof. Yost. One trophy, awarded annually by the league, becomes the permanent possession of the unbeaten 1950 champions, while the traveling trophy is temporary. The latter trophy requires winning the conference title three years for permanent possession. Since coming into existence five years ago the trophy was first won by Ephrata, then Red Lion and two years in succession by Elizabethtown.

ALONZO STAGG LOOKS TO 1951

Selinsgrove, Pa., Nov. 21 (AP)—Susquehanna university's "grand old man of football," Amos Alonzo Stagg, is on his way to Stockton, Calif., with his best gridiron record here in four years.

Stagg completed his 61st year of football and yesterday told his son, Amos Alonzo, Jr.:

"You go out and get the boys and I'll be back next year to put them in shape."

The Elder Stagg spends his winters and the spring each year at his California home and returns here for the football season to aid his son, Susquehanna's head coach.

The Crusaders this year racked up a 4-2-1 record, losing only to Juniata and Johns Hopkins while defeating City College of New York, Wagner, Lycoming and Haverford. They tied Lycoming in the season's finale last Saturday.

Word "Inflammable" May Cause Fires

Chicago, Nov. 21 (AP)—Confusion over what the word "inflammable" means may be an indirect cause of fires, says Dean Keefer, director of safety engineering for Lumbermen's Mutual Casualty Co. He points out that "inflammable" means easily ignited and not fireproof as many people believe.

Because they are misled by the word, Keefer says, many persons are not careful in handling certain canned or bottled fluids which are easily ignited.

As a result, some national groups working on fire prevention standards have eliminated the word from their language. Instead, they use "flammable" to describe easily ignited materials and "nonflammable" to label anything that is fireproof.

Syracuse, N. Y., Nov. 21 (AP)—The head of a committee trying to save the bankrupt New York, Ontario and Western railroad says four major railroads are interested in incorporating the line into their systems.

OKLAHOMA GETS TOP SPOT IN FOOTBALL POLL

New York, Nov. 21 (AP)—The University of Oklahoma, knocking on the front door in the weekly Associated Press football poll all season, finally got into the living room to-day as the nation's No. 1 team.

Now the question is: Can the rampaging Sooners coach Bud Wilkinson retain that lofty perch until the end of this unpredictable season, and become the first member of the Big Seven conference to cop this mythical football crown? Oklahoma was voted the No. 2 team last year when Notre Dame ended the season as the No. 1 club.

Unlike recent years, when a mighty Notre Dame, Michigan or Army team led the poll week after week through the long fall, Oklahoma is the fifth outfit to hold the No. 1 spot this season.

Oklahoma, which blasted Missouri last week 41-7, to run its unbeaten string to 29 straight, replaced Ohio State, The Buckeyes, who lost to Illinois, fell from first to eighth place.

In seven previous polls this fall, Oklahoma was voted third four times as the nation's sportswriters and sportscasters put the finger on other teams. The Sooners were rated No. 2 twice, and No. 5 in the first poll, October 2.

Wilkinson Speechless
Wilkinson was almost speechless when advised his team had been voted No. 1 with a total of 2,964 points. This was 526 better than Army.

Oklahoma, voted No. 1 with 2,964 points, polled 173 first place votes, compared with 36 for Army, and 55 for Kentucky, which moved into third for the first time this year. Army, winner over Stanford in the rain and mud, 7-0, received 2,438 points and Kentucky, which walked helpless North Dakota, 83-0, got 2,346. Kentucky was fifth a week ago.

California, with 20 first place votes, held its fourth place rating for the second week in a row with 2,188 points. The Golden Bears also overcame San Francisco in the mud, 13-7.

Texas moved from sixth to fifth, as the Longhorns trimmed Texas Christian, 21-7, while Illinois, eighth a week ago, advanced to sixth by defeating Ohio State, 14-7. The Texas victory assured a Cotton Bowl berth as well as the Southwest conference title.

Princeton hung on to seventh place, lashing Yale, 47-21. In ninth and tenth places are Tennessee and Michigan State, which held the same ranking last week.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Nov. 21 (AP)—It's all in the news: Lefty James, Cornell football coach, was knocked unconscious and suffered a concussion in an automobile accident. . . . Suppose he was testing his ability to take it after hearing rumors he was in line for the Minnesota job? . . . At 87, Connie Mack says he's going to take up golf this winter. Probably wants to disprove the old idea that golf is an old man's game. . . . Oklahoma's rushing attack against Missouri was so rugged that head linesman George Bourrette was knocked down and run over twice. "It was like being hit by lightning," said the official, who admitted other teams had flattened him, but never twice in one game. . . . Story from Boston says the Braves' Lou Perini wants to buy up Denny Myers' Boston college contract and fire the coach. . . . If such projects continue, maybe Dan Topping could fire enough guys to get Army vs. Notre Dame back into Yankee Stadium.

STILL CHAMP

Jack Dempsey's "Championship Fighting" (as distinguished from mere boxing) hits the bookstores today, but it doesn't tell you the things that make Jack a champion 24 years after he lost the heavyweight title. . . . For instance, wrestler Dave Reynolds tells this one with admiration choking his voice. . . . Dave's father, who is paralyzed, is a great sports fan. . . . Dempsey heard about him while he was visiting Promoter Pinky George in Des Moines, Ia., on one of his whirlwind tours. . . . Nothing would do for Jack but to climb into a car and drive 50 miles for a chat with a bed-ridden guy he didn't know.

CLEANING THE CUFF

Some of Indiana's prep basketball hotshots who have left their home state for higher education include Spence Schnaitter at Yale, Bob Kriebel at Tulane, Doug Cunningham at Alabama, Bob Clayton at Northwestern, Don Loughmiller at Louisiana State and handfuis to such spots as Michigan State and New Mexico State. . . . Another guy worth watching during the coming basketball season likely will be South Carolina's 6-11 Jimmy Slaughter. . . . At Yankee Stadium Sunday the p.a. announcer belted something about the Yanks' "historic first game" with the Giants two weeks hence. That's really a fast life.

The greatest known ocean depth is over 35,000 feet.

Shea Again Wins Cross-Country Run

New York, Nov. 21 (AP)—If Dick Shea of Army keeps going at his present rate, no one is going to show up for next year's IC4-A cross-country championship.

He now has won eight harrier races in a row, including yesterday's 42nd annual IC4-A cross-country race, covering the five-mile course in 25:21.4.

Yesterday's race was run under wretched conditions. At times Shea had to slog through mud and fight a blinding rain.

Pitt Is Favored Over Penn State

Pittsburgh, Nov. 21 (AP)—Sixteen Panthers and 10 Nittany Lions will end their collegiate football careers here Saturday as the University of Pittsburgh and Penn State clash for the 50th time.

Although Pitt has won only one game it is given a slight edge over the visitors. The Panthers have won 29 games in the long series, lost 18 and tied two.

Coach Len Casanova says his Pitt quad will be at full strength for the contest. Halfbacks Armand DiPonso and Tony Simile, who have not seen action for several weeks, are expected to play.

Freshmen teams of the two schools are scheduled to play here Friday. The game originally was carded for Saturday morning.

GERRY NUGENT AGAIN TO HEAD BASEBALL LOOP

Harrisburg, Nov. 21 (AP)—Gerry Nugent, one-time Philadelphia Phillies owner, will be president of the Interstate Class "B" league for another three years.

The league announced renewal of Nugent's contract at a meeting of its members last night.

Nugent also will continue as secretary and treasurer of the league. He stays on at the same salary—\$3,500 plus \$400 office rental allowance.

George Smith, was announced as the new owner of the Trenton club, which Smith said, has signed a working agreement with the Philadelphia Athletics.

The 1951 season will see the revival of the league's all-star game in early July. It will feature fan-selected teams representing the eastern and western sections of the circuit.

The east includes Allentown, Lancaster, Trenton and Wilmington while the west is comprised of Harrisburg, Hagerstown, Sunbury and York.

Site of the game will be the city having the largest total attendance as of July 1.

Eddie Horgan, business manager of the Wilmington team, was elected vice president, succeeding G. H. (Dick) Pool, Harrisburg, Henry Ness, York, and Bill McKechnie, Jr., Sunbury, and Smith were elected directors.

McKechnie said league representatives will vote "no" on a National association convention amendment to abolish radio and television transmission of major league games.

He said the league favors only "limited broadcasts" but is not in favor of "complete abolishment" of radio and telecasting.

The annual winter meeting of the South Penn Scholastic conference will be held Wednesday evening, November 29, at Long View restaurant, east of Abbottstown. Among the business to be transacted will be the drawing up of the 1952 basketball schedule and plans for spring sports.

Griffith Seeks Lou Boudreau

Washington, Nov. 21 (AP)—Clark Griffith set two goals for himself on his 81st birthday yesterday—the first one being acquisition of Lou Boudreau to play shortstop for the Washington Senators.

Griffith said at a big birthday party that he made an offer last week to Boudreau, the Cleveland Indians' former manager and star shortstop. He indicated he hopes to hear something by next Monday.

Boudreau, a free agent since his release by the Indians, said at his home in Harvey, Ill., that there was "nothing new on the subject—I won't make a decision until later on."

He reportedly has had offers also from the New York Yankees and the Boston Red Sox. And there has been talk he might wind up managing the Pittsburgh Pirates.

GRID CIRCUIT ADDS MEMBER; PICK OFFICERS

An eleventh school, Southern Lancaster County Joint high school, Quarryville, was admitted to the conference of the Roses at a meeting of the conference held Monday evening in the Biglerville high school cafeteria. The other 10 schools voted unanimously for the admission of the new school which will be eligible for league honors next year.

Fifty-seven persons attended the dinner-meeting which was served by the cafeteria staff.

Officers were elected as follows: President, D. W. Witmer, Manheim Central high school; vice president, R. E. Swank, Palmyra, and secretary-treasurer, Allen H. Hammon, Ephrata, re-elected. Witmer succeeds Prof. Charles L. Yost, Biglerville, who presided at the meeting.

Two football trophies were presented to Palmyra high school by Prof. Yost. One trophy, awarded annually by the league, becomes the permanent possession of the unbeaten 1950 champions, while the traveling trophy is temporary. The latter trophy requires winning the conference title three years for permanent possession. Since coming into existence five years ago the trophy was first won by Ephrata, then Red Lion and two years in succession by Elizabethtown.

ALONZO STAGG LOOKS TO 1951

Selinsgrove, Pa., Nov. 21 (AP)—Susquehanna university's "grand old man of football," Amos Alonzo Stagg, is on his way to Stockton, Calif., with his best gridiron record here in four years.

Stagg completed his 61st year of football and yesterday told his son, Amos Alonzo, Jr.:

"You go out and get the boys and I'll be back next year to put them in shape."

The Elder Stagg spends his winters and the spring each year at his California home and returns here for the football season to aid his son, Susquehanna's head coach.

The Crusaders this year racked up a 4-2-1 record, losing only to Juniata and Johns Hopkins while defeating City College of New York, Wagner, Lycoming and Haverford. They tied Ursinus in the season's finale last Saturday.

Word "Inflammable" May Cause Fires

Chicago, Nov. 21 (AP)—Confusion over what the word "inflammable" means may be an indirect cause of fires, says Dean Keefer, director of safety engineering for Lumbermen's Mutual Casualty Co. He points out that "inflammable" means easily ignited and not fireproof as many people believe.

Because they are misled by the word, Keefer says, many persons are not careful in handling certain canned or bottled fluids which are easily ignited.

As a result, some national groups working on fire prevention standards have eliminated the word from their language. Instead, they use "flammable" to describe easily ignited materials and "nonflammable" to label anything that is fireproof.

Syracuse, N. Y., Nov. 21 (AP)—The head of a committee trying to save the bankrupt New York, Ontario and Western railroad says four major railroads are interested in incorporating the line into their systems.

James E. Leland of Hamilton said in a statement last night that the four lines had approached the committee separately. He did not identify them.

OWN'S XMAS DECORATIONS BEING PLACED

Employees of the Metropolitan Edison company this morning are stringing wires and colored lights on Baltimore street for the Christmas decorations. The decorations are scheduled to be turned on Friday evening. Lights will be strung in the center plot of Lincoln and in the first blocks of our radiating business streets. The lighting project this year was taken over by the Exchange club. Monday afternoon brought a Christmas tree to the square. It will be erected and decorated in center plot. Workmen of the Metropolitan Edison were prevented from erecting it today by the high winds. The tree was cut Monday by members of the Exchange club, assisted by Edgar Shearer of the Tree Surgeons firm. It was cut on a truck of one of the members by Morris Gidlin, unloaded by the Adams Electric cooperative, Inc. The tree, Exchange club members say, is between 50 and 60 feet in height, and it was estimated that it weighs at least a ton. Branches are 25 to 30-foot spread. The log cabin owned by Dan Sawant, Exchange club member, will be placed near the tree as a figure of Santa Claus.

Miss Phyllis Mae Crouse, daugh- ter of Mr. and Mrs. Herbert H. Crouse, Hanover, and Charles Wil- liam Coppersmith, son of Mr. and Mrs. Elmer Coppersmith, Hanover R. 1, were married Sunday at 2 p.m. in St. Mark's Lutheran church, Han- over. The double ring ceremony was performed by the pastor, the Rev. Dr. John S. Tome. Preceding the ceremony, a recital was presented by Mrs. George Fair, Gettysburg, soloist, and Miss Doris Baker, church organist. The matron of honor was Mrs. Mary Toomey, Hanover R. 4. Rodger Toomey, Hanover, served as best man. A reception at the home of the bride's parents was held im- mediately following the ceremony, after which the newlyweds left on a trip. The bride was graduated from the Hanover high school with the class of 1950 and is employed by the L. E. Beaudin Shoe company. The bridegroom was graduated from the Littlestown high school, class of 1946, and is employed by the Han- over Shoe Farms.

The Rev. Mr. Heckman now serv- ing as district superintendent of the Lutheran Hospitals and Homes So- ciety of the Nebraska Synod, preached trial sermons at each of the parish churches Sunday.

With the approval of the member- ship of each church, the joint parish council held a meeting after the Williamson service and extended the call to Rev. Heckman. Indicating his acceptance at that time, Rev. Heckman said he hoped to take up his pastoral duties in the county by January 1.

DEATHS

Mrs. Raymond English

Mrs. Mary A. English, 56, wife of Raymond English, Laytonville, Md., died Saturday at Garfield hospital, Washington. She was a daughter of the late William and Elizabeth Long, Frederick county. Surviving besides her husband are these children: William R. English, Great Mills; Harold R. English, and George K. English, both of Laytonville; four sisters, Mrs. Beulah Keilholz, Em- mitsburg; Mrs. Stella Harbaugh, Loy's; Mrs. Pauline Stambaugh, Union Bridge; Mrs. Blanche Har- baugh, Thurmont; brothers, John Long, Matthews; Samuel Long, Graceham; Frank Long, Graceham; Edward Long, Loy's; Lowell Long, Thurmont; Theodore Long, Woods- boro. Funeral services were con- ducted Monday at 2 p.m. at the late residence. Interment in Lay- tonsville cemetery.

A native of Ambler, Mr. Heckman is married and the father of three children. Two of his children are married and reside in Allentown. The third is a student at a Nebras- ka college.

Alanson A. Cramer

P. S. Peters, Bendersville; Mary Sanders, Hanover R. 4; Dorsey A. Shultz, Cashtown; R. Mervin Sing- ley, McKnightstown; Lillian B. Stockham, New Oxford R. D.; Henry Wagner, Table Rock and Marie A. Zeigler, 33 East Lincoln avenue.

The jury that heard the Kepner case included Clarence Boyd, Lit- tlestown R. 2; Mrs. Alma Bowers, Stevens street; William Critzman, Chambersburg street; J. S. Deat- rick, Aspers R. 1; John H. Flickinger, Littlestown; Lewis H. Fox, Little- town; R. H. Higginbotham, New Ox- ford R. 1; John Kendeahart, High- land avenue; William Randall, Han- over; Paul C. Riley, York Springs R. 1; Charles E. Wolfe, Gettysburg R. 5 and Edgar Woodward, Bigl- erville.

A hearing on a petition to show cause why the bill of indictment against Albert E. Wolford should not be quashed will be heard Wednesday morning at 9:30 o'clock. Judge W. C. Sheely ruled Monday afternoon.

Sidney E. Friedman, attorney for Wolford, presented the petition Monday afternoon. In his petition Wolford claims that the indictment handed down against him for viola- tion of the bulk sales act by the August grand jury on September 18 is illegal because the grand jury had no authority to return an in- dictment to a term of court prior in time to the date of its existence as a grand jury and because the in- dictment differs from the informa- tion on the justice of peace's docket.

The court appointed Morris L. Enzor as auditor of Reading town- ship succeeding Lewis E. Sheleman, deceased. The appointment was made on petition of residents of the township. Sheleman had been elected in 1947.

Letters to the Editor

Dear Sir:

It has always been the proud privilege of the Sons of Union Veterans of the Civil War to fly our country's flag in front of the G.A.R. post here at Gettysburg.

To our knowledge we have never missed a single occasion to fly "Old Glory" and please God, as long as there is an active son of a veteran still living in this great land of ours we never shall.

It is true that we were late in flying the flag on November 19th at sunrise, for which we deserve right- fully criticism. It was a mistake for which we apologize, but the flag was flying soon afterwards on the same date. There was no intention to show discourtesy or disrespect to our coun- try's flag.

We wish to encourage the love of the flag of our country and for what it stands in these critical times when Communists and weak citizens seek to overthrow our country.

No one is more concerned with the future generations of Americans yet unborn, than the Sons of Union Veterans of the Civil War.

We hope to pass on to our chil- dren and our children's children the love and patriotism and the reminder that all men in order to remain free must keep in their hearts the will to sacrifice everything, even life itself, for our great heritage.

We wish to commend our alert citizenry for any constructive criticism at any time.

It is haps to make a more patriotic and a stronger America we will al- ways add our sincere support.

The removal of the plot in Lincoln Square has long ended as a "dis- cussion," for lack of "pros." Or is it that our good editor is biased in his opinion? Perhaps a few subscrib- ers would like to weigh this sugges- tion:

After the plot has been removed and traffic signals properly installed, erect your statue of Lincoln and place it on the arc formed by the Gettysburg hotel and the Weaver building, thus Gettysburg retains its "Lincoln Square" and rids itself of an unquestionably great traffic haz- ard.

How would our great Lincoln feel if he were forced to sit in the "plot" and listen to clanging metal, crashing glass, and screaming pe- destrians?

TWO KILLED AS TRUCKS CRASH

Two men, one from Frederick were killed, and a third also of Frederick county, was injured early Monday in the flaming wreck of two large trailer trucks on Route 50, near Smithsburg, W. Va. The Associated Press reported.

The dead were identified as: David Nelson Hardman, Jr., 32, of Frederick, and George Buckley, 23, of Parkersburg, W. Va. I. Staley Grimes, Lewistown who will be 37 years old December 22, was the only survivor. Grimes was taken in an ambulance to a Clarksburg (St. Mary's) hospital.

Sheriff Paul B. Davis said a truck driven by Buckley and one driven by Hardman collided head-on about 5:45 a.m. and burned.

Acetylene Cylinders
Davis said the truck driven by Buckley was operated by the Air Reduction corporation and was load- ed with cylinders of acetylene. Hard- man drove a truck leased by the Masser Motor Express company of Hagerstown. It was loaded with gen- eral merchandise including paints and oils.

Buckley was alone in the Air Reduction truck. Grimes was the only other occupant of the other vehicle.

Mrs. Grimes said her husband was transporting a cargo on his trailer unit at the time for the Masser com- pany. Hardman was employed by him as a driver.

Hardman was a son of David N. Hardman and the late Harriet O'Connor Hardman, of Emmitsburg. Besides his father, who resides in Frederick, he is survived by his wife, Mrs. Alta Cordell Cromwell Hardman; a son, David A. Hard- man, at home; his step-mother, Mrs. Iva Hardman; brothers and sisters, Mrs. Grayson Phelps, Frederick; Mrs. John Fultz, Mrs. Monroe Hahn, Mountandale; Mrs. James Pilby, Mrs. William Zimmerman, Philby and Charles Hardman, Frederick. A number of nieces and nephews also survive.

HOSPITAL REPORT

Carolyn Shriver, Gettysburg R. 1, a student at Gettysburg high school, was treated at the Warner hospital this morning for a sprain of her right knee sustained in a fall on steps at the school. She later re- turned to classes.

Admissions: Mrs. Louine Wailes, Fairfield R. 2; Mrs. Alvin Mummert, Biglerville R. 1; Mrs. Carl Seifrit, Biglerville; Gerard Peeney, a student at Mt. St. Mary's college; Mrs. Bruce Hoffman, Littlestown R. 2; Buelah Glass, Emmitsburg R. 2. \$500 Damage Caused When Cars Collide

An automobile operated by George E. Barnes, 24, of Andaluska, Ala., collided with a car driven by Eugene F. Ecker, 17, of York Springs R. 2, an eighth of a mile north of Heidlers- burg at 7:30 o'clock Monday night on the Gettysburg-Harrisburg road, state police of the Gettysburg sub- station reported today.

Police said Ecker was driving east on a township road which intersects with the Harrisburg road, and swung into the latter highway. As he did so, his motor stalled. Barnes, driv- ing south, came over the crest of a grade, and swung left in an attempt to avoid the Ecker car. His right front fender struck the left front of the Ecker car, police said.

The Ecker car is owned by Maurice Ecker. Damage to it was estimated at \$150, and damage to the Barnes car at \$350. No one was injured.

Offers Reward For Facts On BB Gunners
C. W. Epley, proprietor of the Studebaker garage, Chambersburg and South Washington streets, to- day offered a reward of \$25 for in- formation leading to the apprehen- sion of the person or persons who have damaged windshields of cars and trucks in his used car lot with BB rifles.

"During recent months I have suffered heavy losses through dam- age to automobiles and I am de- termined to put a stop to these de- gradations," an advertisement in to- day's The Gettysburg Times said. Epley reported to borough police this morning that several windshields and windows had again been dam- aged in his car lot.

FIFTY YEARS AGO

Local Miscellany: On Wednesday noon as Charles L. Topper, of Orrtanna, was getting out of the wagon to feed his horses, at John F. Dick's Straban township, he fell and broke his arm below the elbow. He was brought to his father's in this place where Drs. Trout and Goldsborough set the arm.

A contemporary announces that the automobile has been retired for the winter. The horse, God's gift to man, will be found ever ready to stem the storms, anchor the weary passengers safely to harbors of comfort, while the automobile is seeking a well deserved rest. But when the roses bloom in springtime and the grass begins to grow, the machine with electric power will assume its place on the diamond to compete with the horse for business.

Last Thursday night was the coldest this season. Ice one-half inch thick formed in some places. The thermometer registered 24 degrees. The addition to the rear of the Eagle Hotel, Isaiah Reindollar, contractor, is under roof and work on it is progressing rapidly. The addition is three stories high with Mansard roof.

Wedding Bells: On Wednesday morning a quiet wedding took place at the bride's home on Baltimore street, when Mrs. Dora H. Chapman became the wife of D. Jerome Swartz, of New Marion, Franklin county, and formerly of this place. Rev. M. C. Horine of Reading, performed the ceremony, assisted by Rev. Dr. T. J. Barkley. A wedding breakfast was served after the ceremony and the bride and groom left immediately for their home at New Marion.

Marriages: Brown-Spangler—Nov. 20, at Mountjoy parsonage, by Rev. W. G. Minnick, David H. Brown, of Taneytown, Md. to Miss Lydia E. Spangler, of Germany township.

Garretson-Taylor—Nov. 20, in this place by Rev. A. R. Steck, John J. Garretson, of Menallen township, to Miss Etna A. Taylor, of Huntington township.

Plank-Meals—Nov. 15, in this place, by Rev. A. R. Steck, John Plank, of Fairplay, to Miss Theresia Meals, of Straban township.

Work of Children's Home Society: Mrs. B. L. Russell, of Harrisburg, visited Gettysburg last week in the interest of this society for finding good family homes for homeless and destitute children.

This work is now organized in twenty five states and, in seventeen years has found homes for 15,000 homeless children. A local branch was founded in Gettysburg in '98 and for the information of persons who may wish to take a child or procure a home for a little one, we re-print a list of officers and members.

Today's Talk

By GEORGE MATTHEW ADAMS

DO THE THING MOST WANTED

All over this world there are people walking around in the wrong garments, those that do not fit, and which only serve to irritate and repel. In other words these people are wasting precious days in doing something for which they have neither love nor adaptability.

After all, it is personal happiness and inward satisfaction that we all should consider as our pleasure in life. We have to be first useful to ourselves before we can distribute this usefulness to others, or to the world. To accomplish this we must select those things to do, and devote our lives to what we most want to do.

I have a friend whose early life was embittered with hatred toward his father because that father insisted upon the son becoming a lawyer when he wanted most to be an artist. He was always happiest when drawing, sketching or painting. In later years he became famous as an artist, but it was the satisfaction of doing what he most wanted to do that gave him the greatest joy.

It is just as important to flavor one's work with love and pleasure as it is to flavor one's food with salt. People who love their work are always the most efficient, and happiest. One does not need to hesitate about one's life work if he will but do the thing he most wants to do, regardless of monetary returns. Mental satisfaction, and the spiritual return, are far more worthy and important.

Robert Frost is America's greatest poet—but it was some 20 years before his great talent was recognized—and that in England! He was a teacher, a farmer, and only an occasional contributor of poems to publications, before he decided to devote his entire life to poetry. As of today no American poet has been so honored, and justly so. He finally did the thing he most wanted to do.

No regrets return to plague one who has for long devoted himself to an inward cultivation of mind and heart. That is something permanent. The personal, happy experiences are the ones we all want most, and should strive to gain.

Tomorrow Mr. Adams will talk on the subject: "Seeing Without Knowing."

In his conduct when he hands me
This, the weakest of excuses:

And know beyond doubt
On its keyboard a thought to be
Written is waiting,

EXPECT KOREAN WAR TO GO ON UNTIL SPRING

By STAN SWINTON

On the Northeast Front, Korea, Nov. 21 (AP)—United Nations intelligence officers predict the Korean war will continue well into next spring.

Wild, inaccessible mountains, head-high snow drifts and temperatures 20 degrees and more below zero will delay the U.N. victory, they fear. They consider enemy resistance a secondary factor.

They do not believe the North Korean and Chinese Communists can build a winter line which could hold—if U.N. Forces could bludgeon it with full strength.

But sub-zero temperature will cut combat efficiency. Most of the U.N. Army's resources will be absorbed in just keeping men alive and in the line.

Effects Of Winter

Any winter cleanup offensive in an area where the terrain and poor roads would give the Communists all the advantages is virtually out of the question, these sources say.

This is what qualified intelligence sources expect the deep winter to bring: First—Increasing bad feelings between North Korean and Chinese Communists; second—a build-up of organized guerrilla activity to harass U.N. Forces both at the front and rear. Most guerrilla activity so far has been bypassed by North Korean units; and third—sub-zero weather is expected to hurt the ill-equipped enemy more than the U.N. Forces. By spring, cold weather casualties may have reduced the communists' fighting power sharply.

A winter campaign, however, does not mean U. N. advances are not expected to continue.

Looking far to the future, most qualified sources expect a windup of the Korean War next spring unless a change in the international picture brings the Reds new reinforcements.

Quaker Jailed As Evader Of Draft

Philadelphia, Nov. 21 (AP)—The first person sent to prison from the Philadelphia federal district for violating the 1948 peacetime selective service act is a 23-year-old Quaker.

T. Vail Palmer, Jr., of Concordville, Pa., yesterday rejected a last-minute chance to change his mind and U.S. District Judge J. Cullen Ganey sentenced him to a year and a day in a federal penitentiary.

Palmer, son of Mrs. Esther Lamborn Palmer, clerk of the Concord monthly meeting of Friends, pleaded no defense to a charge that he violated the draft act by refusing to register. In rejecting the last-minute chance to register, he maintained that even registering would be contrary to his religious convictions.

Before Judge Ganey pronounced sentence, Assistant U.S. Attorney Edward A. Kallick asked whether he wanted to change his mind. "No sir," Palmer replied.

\$25.00 REWARD

I will pay \$25.00 reward to the person or persons who gives information to the Gettysburg Police Department or to Burgess W. G. Weaver leading to the apprehension of the person or persons guilty of shooting BB shot through windshields and other glass in automobiles and trucks parked in my used car lot on Chambersburg street. During recent months I have suffered heavy losses through damage to my automobiles and I am determined to put a stop to these depredations.

OKLAHOMA GETS TOP SPOT IN FOOTBALL POLL

New York, Nov. 21 (AP)—The University of Oklahoma, knocking on the front door in the weekly Associated Press football poll all season, finally got into the living room today as the nation's No. 1 team.

Now the question is: Can the rampaging Sooners coach Bud Wilkinson retain that lofty perch until the end of this unpredictable season, and become the first member of the Big Seven conference to cop this mythical football crown? Oklahoma was voted the No. 2 team last year when Notre Dame ended the season as the No. 1 club.

Unlike recent years, when a mighty Notre Dame, Michigan or Army team led the poll week after week through the long fall, Oklahoma is the fifth outfit to hold the No. 1 spot this season.

Oklahoma, which blasted Missouri last week 41-7, to run its unbeaten string to 29 straight, replaced Ohio State. The Buckeyes, who lost to Illinois, fell from first to eighth place.

In seven previous polls this fall, Oklahoma was voted third four times as the nation's sportswriters and sportscasters put the finger on other teams. The Sooners were rated No. 2 twice, and No. 5 in the first poll, October 2.

Wilkinson Speechless
Wilkinson was almost speechless when advised his team had been voted No. 1 with a total of 2,964 points. This was 526 better than Army.

Oklahoma, voted No. 1 with 2,964 points, polled 173 first place votes, compared with 36 for Army, and 55 for Kentucky, which moved into third for the first time this year. Army, winner over Stanford in the rain and mud, 7-0, received 2,438 points and Kentucky, which walloped helpless North Dakota, 83-0, got 2,346. Kentucky was fifth a week ago.

California, with 20 first place votes, held its fourth place rating for the second week in a row with 2,188 points. The Golden Bears also overcame San Francisco in the mud, 13-7.

Texas moved from sixth to fifth, as the Longhorns trimmed Texas Christian, 21-7, while Illinois, eighth a week ago, advanced to sixth by defeating Ohio State, 14-7. The Texas victory assured a Cotton Bowl berth as well as the Southwest conference title.

Princeton hung on to seventh place, lashing Yale, 47-21. In ninth and tenth places are Tennessee and Michigan State, which held the same ranking last week.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Nov. 21 (AP)—It's all in the news. Lefty James, Cornell football coach, was knocked unconscious and suffered a concussion in an automobile accident. . . . Suppose he was testing his ability to take it after hearing rumors he was in line for the Minnesota job? . . . At 87, Connie Mack says he's going to take up golf this winter. Probably wants to disprove the old idea that golf is an old man's game. . . . Oklahoma's rushing attack against Missouri was so rugged that head linesman George Bourrette was knocked down and run over twice. "It was like being hit by lightning," said the official, who admitted other teams had flattened him, but never twice in one game. . . . Story from Boston says the Braves' Lou Perini wants to buy up Denny Myers' Boston college contract and fire the coach. . . . If such projects continue, maybe Dan Topping could fire enough guys to get Army vs. Notre Dame back into Yankee Stadium.

STILL CHAMP

Jack Dempsey's "Championship Fighting" (as distinguished from mere boxing) hits the bookstores today, but it doesn't tell you the things that make Jack a champion 24 years after he lost the heavy-weight title. . . . For instance, wrestler Dave Reynolds tells this one with admiration choking his voice. . . . Dave's father, who is paralyzed, is a great sports fan. . . . Dempsey heard about him while he was visiting Promoter Pinky George in Des Moines, Ia., on one of his whirlwind tours. . . . Nothing would do for Jack but to climb into a car and drive 50 miles for a chat with a bed-ridden guy he didn't know.

CLEANING THE CUFF

Some of Indiana's prep basketball hotheads who have left their home state for higher education include Spence Schnaitter at Yale, Bob Kriebel at Tulane, Doug Cunningham at Alabama, Bob Clayton at Northwestern, Don Loughmiller at Louisiana State and handfulls to such spots as Michigan State and New Mexico State. . . . Another guy worth watching during the coming basketball season likely will be South Carolina's 6-11 Jimmy Slaughter. . . . At Yankee Stadium Sunday the p. a. announcer belted something about the Yanks' "historic first game" with the Giants two weeks hence. That's really a fast life.

The greatest known ocean depth is over 35,000 feet

Bullet Cage Tickets Are Still Available

A number of season tickets for reserved seats at home basketball games of Gettysburg college for the coming campaign are still available at the college athletic office or the Britcher and Bender drug store, Chambersburg street, it was revealed today by Prof. C. E. Bilheimer, college athletic director.

The home schedule is perhaps the most attractive in Bullet history. It consists of 13 games including such standout attractions as Pitt, Cornell, Lafayette, Muhlenberg, Dickinson, Bucknell and Carnegie Tech. The season opens Saturday, December 9, when Pitt plays here.

The price of a season ticket is \$18.

Maryland And Texas Aggies May Meet

Washington, Nov. 21 (AP)—American Legion sponsors of the game were reported today to name Maryland and the Texas Aggies as opponents in the President's cup football contest to be played at College Park, Md., Dec. 9.

Game officials would not confirm that those two teams had been selected, but said an announcement of the opponents could probably be expected in the afternoon. Unofficially, all signs pointed to the Aggies and Terrapins as contestants in the event to be staged for benefit of the Legion Welfare fund.

The Washington Post and the Dallas News both said those two teams had been chosen. The Houston Chronicle said they had been invited.

Byrd stadium, the brand new site of the grand-new contest, is located at the University of Maryland, just outside Washington. President Truman endorsed the contest when Legion officials suggested it as a means of raising money for Legion rehabilitation activities.

Sports In Brief

(By The Associated Press)

Baseball
New York — Roy Hamey, general manager of the Pittsburgh Pirates, said he would leave that post to become assistant general manager of the New York Yankees on December 1.

Track

New York — Penn State dethroned Army in the 42nd annual IC4-A cross-country run, but Dick Shea of the cadets retained the individual title, covering the five-mile course in 25:21.4.

Golf

New York — Willie Turnesa of Elmsford, N. Y., was appointed captain of the United States' Walker cup team which will play in England next May 11-12.

Basketball

Lafayette, Ind. — Bobby McDermott, player-coach of the Grand Rapids Hornets, was dismissed from the National professional league because of his actions in a game with the Denver Refiners last Tuesday.

Racing

Bowie, Md. — Jockey Joe Culmone gained a temporary lead over Willie Shoemaker in their race for national riding honors when he scored with Burning Ray (\$760) at Bowie. It gave Culmone a 332 to 331 lead over Shoemaker, who was idle as Hollywood Park was closed. Arcave (\$21.80) won the featured Poncelon purse.

Lehigh Turns Down Football Bowl Bids

Bethlehem, Nov. 21 (AP)—Lehigh university announced Monday that its unbeaten football team will not play in any post-season bowl games. Dr. Martin D. Whitaker, president of Lehigh, said in a statement:

"It has been decided that the Lehigh football team will not participate in a post-season game. This decision was reached after careful consideration of the various factors involved and after consultations with representatives of the trustees, faculty, alumni and student body."

Lehigh wound up its first unbeaten season in 67 years of football last Saturday with a 38-to-0 victory over Lafayette.

Numerous feelers looking toward bowl invitations included one from the Sun Bowl at El Paso, Texas

ROY HAMEY TO JOIN YANKEES

New York, Nov. 21 (AP) — Roy Hamey, one of baseball's top executives, is going back to work for his first love, New York Yankees, the world champions.

Hamey, general manager of the Pittsburgh Pirates the past four years, will sever connections with the Pirates on December 1 and become assistant general manager for the Yanks.

The 48-year-old executive decided to break off with the Pirates although his reported \$40,000 a year contract doesn't expire until 1952.

Hamey's status with the Pirates has been in doubt since Branch Rickey recently was signed as vice president and general manager of the Bucs.

Hamey said, "I feel very badly about leaving Pittsburgh where I had some wonderful associations. But I feel as though I were returning home after many years of association with the Yankees."

Vice President Thomas Johnson of the Pirates said that "Hamey asked to be released from his contract, which runs until 1952, because he thought that might make it easier for Rickey."

Hamey joined the Yankees organization as general manager of Binghamton in 1934. In 1946 he was appointed president of the American association and the following year joined the Pirates as general manager.

Shea Again Wins Cross-Country Run

New York, Nov. 21 (AP)—If Dick Shea of Army keeps going at his present rate, no one is going to show up for next year's IC4-A cross-country championship.

He now has won eight harrier races in a row, including yesterday's 42nd renewal of the IC4-A grand over Van Cortlandt Park's treacherous five-mile course. It was the second straight year he won it.

Yesterday's race was run under wretched conditions. At times Shea had to slog through mud and fight a blinding rain.

Pitt Is Favored Over Penn State

Pittsburgh, Nov. 21 (AP)—Sixteen Panthers and 10 Nittany Lions will end their collegiate football careers here Saturday as the University of Pittsburgh and Penn State clash for the 50th time.

Although Pitt has won only one game it is given a slight edge over the visitors. The Panthers have won 29 games in the long series, lost 18 and tied two.

Coach Len Casanova says his Pitt squad will be at full strength for the contest. Halfbacks Armand DiFonso and Tony Simile, who have not seen action for several weeks, are expected to play.

Freshmen teams of the two schools are scheduled to play here Friday. The game originally was carded for Saturday morning.

GERRY NUGENT AGAIN TO HEAD BASEBALL LOOP

Harrisburg, Nov. 21 (AP)—Gerry Nugent, one-time Philadelphia Phillies owner, will be president of the Interstate Class "B" league for another three years.

The league announced renewal of Nugent's contract at a meeting of its members last night.

Nugent also will continue as secretary and treasurer of the league. He stays on at the same salary—\$3,500 plus \$400 office rental allowance.

George Smith, was announced as the new owner of the Trenton club, which Smith said, has signed a working agreement with the Philadelphia Athletics.

The 1951 season will see the revival of the league's all-star game in early July. It will feature fan-selected teams representing the eastern and western sections of the circuit.

The east includes Allentown, Lancaster, Trenton and Wilmington while the west is comprised of Harrisburg, Hagerstown, Sunbury and York.

Site of the game will be the city having the largest total attendance as of July 1.

Eddie Horgan, business manager of the Wilmington team, was elected vice president, succeeding G. H. (Dick) Pool, Harrisburg. Henry Ness, York, and Bill McKechnie, Jr., Sunbury, and Smith were elected directors.

McKechnie said league representatives will vote "no" on a National association convention amendment to abolish radio and television transmission of major league games.

He said the league favors only "limited broadcasts" but is not in favor of "complete abolishment" of radio and telecasting.

Griffith Seeks Lou Boudreau

Washington, Nov. 21 (AP) — Clark Griffith set two goals for himself on his 81st birthday yesterday—the first one being acquisition of Lou Boudreau to play shortstop for the Washington Senators.

Griffith said at a big birthday party that he made an offer last week to Boudreau, the Cleveland Indians' former manager and star shortstop. He indicated he hopes to hear something by next Monday.

Boudreau, a free agent since his release by the Indians, said at his home in Harvey, Ill., that there was "nothing new on the subject—I won't make a decision until later on."

He reportedly has had offers also from the New York Yankees and the Boston Red Sox. And there has been talk he might wind up managing the Pittsburgh Pirates.

GRID CIRCUIT ADDS MEMBER; PICK OFFICERS

An eleventh school, Southern Lancaster County Joint high school, Quarryville, was admitted to the conference of the Roses at a meeting of the conference held Monday evening in the Biglerville high school cafeteria. The other 10 schools voted unanimously for the admission of the new school which will be eligible for league honors next year.

Fifty-seven persons attended the dinner-meeting which was served by the cafeteria staff.

Officers were elected as follows: President, D. W. Witmer, Manheim Central high school; vice president, R. E. Swank, Palmyra, and secretary-treasurer, Allen H. Hammon, Ephrata, re-elected. Witmer succeeds Prof. Charles L. Yost, Biglerville, who presided at the meeting.

Two football trophies were presented to Palmyra high school by Prof. Yost. One trophy, awarded annually by the league, becomes the permanent possession of the unbeaten 1950 champions, while the traveling trophy is temporary. The latter trophy requires winning the conference title three years for permanent possession. Since coming into existence five years ago the trophy was first won by Ephrata, then Red Lion and two years in succession by Elizabethtown.

ALONZO STAGG LOOKS TO 1951

Selinsgrove, Pa., Nov. 21 (AP)—Susquehanna university's "grand old man of football," Amos Alonzo Stagg, is on his way to Stockton, Calif., with his best gridiron record here in four years.

Stagg completed his 61st year of football and yesterday told his son, Amos Alonzo, Jr.:

"You go out and get the boys and I'll be back next year to put them in shape."

The Elder Stagg spends his winters and the spring each year at his California home and returns here for the football season to aid his son, Susquehanna's head coach.

The Crusaders this year racked up a 4-2-1 record, losing only to Juniata and Johns Hopkins while defeating City College of New York, Wagner, Lycoming and Haverford. They tied Ursinus in the season's finale last Saturday.

Word "Inflammable" May Cause Fires

Chicago, Nov. 21 (AP) — Confusion over what the word "inflammable" means may be an indirect cause of fires, says Dean Keefer, director of safety engineering for Lumbermen's Mutual Casualty Co. He points out that "inflammable" means easily ignited and not fireproof as many people believe.

Because they are misled by the word, Keefer says, many persons are not careful in handling certain canned or bottled fluids which are easily ignited.

As a result, some national groups working on fire prevention standards have eliminated the word from their language. Instead, they use "flammable" to describe easily ignited materials and "nonflammable" to label anything that is fireproof.

Syracuse, N. Y., Nov. 21 (AP)—The head of a committee trying to save the bankrupt New York, Ontario and Western railroad says four major railroads are interested in incorporating the line into their systems.

James E. Leland of Hamilton said in a statement last night that the four lines had approached the committee separately. He did not identify them.

TOWN'S XMAS DECORATIONS BEING PLACED

Employees of the Metropolitan Edison company this morning began stringing wires and colored lights on Baltimore street for the Christmas lighting decorations which are scheduled to be turned on Saturday evening. Lights will be strung in the center plot of Lincoln Square and in the first blocks of the four radiating business streets.

The lighting project this year was taken over by the Exchange club, which Monday afternoon brought a large Christmas tree to the square. It will be erected and decorated in the center plot. Workmen of the Metropolitan Edison were prevented from erecting it today by the high wind.

The tree was cut Monday by members of the Exchange club, assisted by Edgar Shearer of the Shearer Tree Surgeons firm. It was loaded on a truck of one of the club's members by Morris Gilin, and unloaded by the Adams Electric Cooperative, Inc.

The tree, Exchange club members said, is between 50 and 60 feet in height, and it was estimated that it weighs at least a ton. Branches have a 25 to 30-foot spread.

A log cabin owned by Dan Greenawalt, Exchange club member, will be placed near the tree with a figure of Santa Claus.

CHURCHMEN TO MEET

The Men of Trinity Evangelical and Reformed church will meet Wednesday night at 8 o'clock at the church. William Scott will be the leader.

SEMINARY GRAD IS GIVEN CALL

Members of the Lemasters Lutheran parish, composed of churches in Lemasters, Williamson and Up-ton, Sunday extended a call to the Rev. Irwin E. Heckman, 52, of Fremont, Nebraska, to become pastor of the parish. The three churches have a combined confirmed membership of 400.

The Rev. Mr. Heckman now serving as district superintendent of the Lutheran Hospitals and Homes Society of the Nebraska Synod, preached trial sermons at each of the parish churches Sunday.

With the approval of the membership of each church, the joint parish council held a meeting after the Williamson service and extended the call to Rev. Heckman, indicating his acceptance at that time. Rev. Heckman said he hoped to take up his pastoral duties in the county by January 1.

The Rev. Mr. Heckman will succeed the Rev. Frank L. Ziegler, who resigned on September 1. A graduate of Lutheran Theological seminary here in 1934, Mr. Heckman served as pastor of the Sugar Valley-Salona parish at Logan from 1934 through 1937. His second pastorate at Zion church, Prater, extended from 1937 until 1943, when he became a chaplain in the U. S. Army, serving in that capacity until June of 1948. Following his release from Army duty, Mr. Heckman enrolled at Mt. Airy Seminary and received his Master of Sacred Theology degree after a year's study. He has served the Nebraska Synod social mission in his present capacity since 1947.

A native of Ambler, Mr. Heckman is married and the father of three children. Two of his children are married and reside in Allentown. The third is a student at a Nebraska college.

SNOW SQUALLS ARRIVE TODAY

Adams county may be in for its first taste of real winter with the temperature already tumbled sharply from Monday's high of 59 degrees by chill northwest winds that brought snow flurries this morning. At 1:30 o'clock this afternoon, the temperature stood at 37 degrees at the Gettysburg Times weather station with colder weather forecast for tonight. Last night's low was 34 degrees.

Snow squalls and winds ranging up to 50 miles an hour today gave most Pennsylvanians a warning of winter. Scores of trees, signboards, electric wires and telephone lines were blown down by the high winds. Last night, snow flurries, whipped by gale-like winds, made driving hazardous on many of the state's highways.

At least one death was reported in the eastern part of the commonwealth as directly caused by the weather. Rudolph Witzel, 27-year-old carpenter working on the Philadelphia State hospital at Byberry, was killed by a piece of plywood blown from the unfinished second floor of a partly-constructed building.

Mrs. Elizabeth Lewis, 85, a resident of Upper Darby—a Philadelphia suburb—sustained a hip fracture when blown off her feet by a gust of wind.

A 20-by-40-foot section of roof was blown off the Walton Public school in Philadelphia while classes were in session yesterday. No one was injured.

Continues Case Of Stolen Diamond Ring

Justice of the Peace John H. Basehore this morning continued, without date, the case of Dwight (Whitely) Johnson, Carlisle street, charged by Mrs. Esther Bolen, 224 Baltimore street, with the theft of a diamond ring.

The action was taken following a hearing on the larceny charge, at which Mrs. Bolen, who had charged that Johnson took her ring from her pocketbook in a local restaurant the night of November 11, identified a ring found on Baltimore street as the one she had said Johnson took.

The ring, authorities said, was found by a Baltimore street resident the following Monday while sweeping up leaves on his sidewalk. Squire Basehore said he turned the ring over to borough police for positive identification.

TRIO GIVES BAIL

Three countenances, Glenn T. Miller, Gettysburg R. 5; Roy J. Wolfe, Littlestown R. 2; and Walter Kennedy, Gettysburg, signed pleas of guilty before Justice of the Peace Robert P. Snyder Monday night and this morning on charges of contributing to the delinquency of a female minor. All three furnished bail for court.

FURNISHES BAIL

Arthur Topper, Abbotstown, this morning furnished \$1,000 bail before Justice of the Peace John H. Basehore for a hearing Friday morning on a surety of the peace charge. His wife, Anna, filed the charge.

Wedding

Coppersmith-Crouse

Miss Phyllis Mae Crouse, daughter of Mr. and Mrs. Herbert H. Crouse, Hanover, and Charles William Coppersmith, son of Mr. and Mrs. Elmer Coppersmith, Hanover R. 1, were married Sunday at 2 p.m. in St. Mark's Lutheran church, Hanover. The double ring ceremony was performed by the pastor, the Rev. Dr. John S. Tome. Preceding the ceremony, a recital was presented by Mrs. George Fair, Gettysburg, soloist, and Miss Doris Baker, church organist. The matron of honor was Mrs. Mary Toomey, Hanover R. 4. Roger Toomey, Hanover, served as best man. A reception at the home of the bride's parents was held immediately following the ceremony, after which the newlyweds left on a trip. The bride was graduated from the Hanover high school with the class of 1950 and is employed by the L. E. Beaudin Shoe company. The bridegroom was graduated from the Littlestown high school, class of 1946, and is employed by the Hanover Shoe Farms.

DEATHS

Mrs. Raymond English

Mrs. Mary A. English, 56, wife of Raymond English, Laytonville, Md., died Saturday at Garfield hospital, Washington. She was a daughter of the late William and Elizabeth Long, Frederick county. Surviving besides her husband are these children: William R. English, Great Mills; Harold R. English, and George K. English, both of Laytonville; four sisters, Mrs. Beulah Keilholz, Emmitsburg; Mrs. Stella Harbaugh, Loy's; Mrs. Pauline Stambaugh, Union Bridge; Mrs. Blanche Harbaugh, Thurmont; brothers, John Long, Matthews; Samuel Long, Graceland; Frank Long, Graceland; Edward Long, Loy's; Lowell Long, Thurmont; Theodore Long, Woodsboro. Funeral services were conducted Monday at 2 p.m. at the late residence. Interment in Laytonville cemetery.

Alanson A. Cramer

(Special To The Gettysburg Times) Washington, D. C. Nov. 21—Funeral services for Alanson A. Cramer, 62, retired carpenter, who died Sunday in a Takoma Park nursing home, were held at 2 o'clock this afternoon at the Adelphi Seventh Day Adventist church at Hyattsville, with interment in George Washington cemetery.

Among the survivors is a daughter, Mrs. Esther Cramer, of Gettysburg. Mr. Cramer was a native of Piermont, N. Y. He came to Washington in 1922, and retired 15 years ago. Other survivors include five sons and two other daughters.

2 DEFENDANTS

(Continued from Page 1)

P. S. Peters, Benderville; Mary Sanders, Hanover R. 4; Dorsey A. Shultz, Cashtown; R. Mervin Singlet, McKnightstown; Lillian B. Stookham, New Oxford R. D.; Henry Wagner, Table Rock and Marie A. Zeigler, 33 East Lincoln avenue.

The jury that heard the Kepner case included Clarence Boyd, Littlestown R. 2; Mrs. Alma Bowers, Stevens street; William Critzman, Chambersburg street; J. S. Deast, Aspers R. 1; John H. Flickinger, Littlestown; Lewis H. Fox, Littlestown R. 1; John Kendeheart, Highland avenue; William Randall, Hanover; Paul C. Riley, York Springs R. 5; Charles E. Wolfe, Gettysburg R. 5 and Edgar Woodward, Biglerville.

A hearing on a petition to show cause why the bill of indictment against Albert E. Wolford should not be quashed will be heard Wednesday morning at 9:30 o'clock. Judge W. C. Sheely ruled Monday afternoon.

Slaney E. Friedman, attorney for Wolford, presented the petition Monday afternoon. In his petition Wolford claims that the indictment handed down against him for violation of the bulk sales act by the August grand jury on September 18 is illegal because the grand jury had no authority to return an indictment to a term of court prior in time to the date of its existence as a grand jury and because the indictment differs from the information on the justice of peace's docket.

The court appointed Morris L. Enzor as auditor of Reading township succeeding Lewis E. Sheleman, deceased. The appointment was made on petition of residents of the township. Sheleman had been elected in 1947.

Letters to the Editor

Dear Sir:

It has always been the proud privilege of the Sons of Union Veterans of the Civil War to fly our country's flag in front of the G.A.R. post here at Gettysburg.

To our knowledge we have never missed a single occasion to fly "Old Glory" and please God, as long as there is an active son of a veteran still living in this great land of ours we never shall.

It is true that we were late in flying the flag on November 19th at sunrise, for which we deserve rightful criticism. It was a mistake for which we apologize, but the flag was flying soon afterwards on the same date. There was no intention to show discourtesy or disrespect to our country's flag.

We wish to encourage the love of the flag of our country and for what it stands in these critical times when Communists and weak citizens seek to overthrow our country. No one is more concerned with the future generations of Americans yet unborn, than the Sons of Union Veterans of the Civil War.

We hope to pass on to our children and our children's children the love and patriotism and the reminder that all men in order to remain free must keep in their hearts the will to sacrifice everything, even life itself, for our great heritage.

We wish to commend our alert citizenry for any constructive criticism at any time.

If it helps to make a more patriotic and a stronger America we will always add our sincere support.

Dear Sir: The removal of the plot in Lincoln Square has long ended as a "discussion," for lack of "pros." Or is it that our good editor is biased in his opinion? Perhaps a few subscribers would like to weigh this suggestion.

After the plot has been removed and traffic signals properly installed, erect your statue of Lincoln and place it on the arc formed by the Gettysburg hotel and the Weaver building, thus Gettysburg retains its "Lincoln Square" and rid itself of an unquestionably great traffic hazard.

How would our great Lincoln feel if he were forced to sit in the "plot" and listen to clanging metal, crashing glass, and screaming pedestrians?

TWO KILLED AS TRUCKS CRASH

Two men, one from Frederick, were killed, and a third also of Frederick county, was injured early Monday in the flaming wreck of two large trailer trucks on Route 50, near Smithsburg, W. Va. The Associated Press reported.

The dead were identified as: David Nelson Hardman, Jr., 32, of Frederick, and George Buckley, 23, of Parkersburg, W. Va. I. Staley Grimes, Lewistown who will be 37 years old December 22, was the only survivor. Grimes was taken in an ambulance to a Clarksville (St. Mary's) hospital.

Sheriff Paul B. Davis said a truck driven by Buckley and one driven by Hardman collided head-on about 5:45 a.m. and burned.

Acetylene Cylinders Davis said the truck driven by Buckley was operated by the Air Reduction corporation and was loaded with cylinders of acetylene. Hardman drove a truck leased by the Masser Motor Express company of Hagerstown. It was loaded with general merchandise including paints and oils.

Buckley was alone in the Air Reduction truck. Grimes was the only other occupant of the other vehicle.

Mrs. Grimes said her husband was transporting a cargo on his trailer unit at the time for the Masser company. Hardman was employed by him as a driver.

Hardman was a son of David N. Hardman and the late Harriet O'Connor Hardman, of Emmitsburg. Besides his father, who resides in Frederick, he is survived by his wife, Mrs. Alta Cordell Cromwell Hardman; a son, David A. Hardman, at home; his step-mother, Mrs. Iva Hardman; brothers and sisters, Mrs. Grayson Phelps, Frederick; Mrs. John Fultz, Mrs. Monroe Hahn, Mountaintale; Mrs. James Pilby, Mrs. William Zimmerman, John and Charles Hardman, Frederick. A number of nieces and nephews also survive.

\$500 Damage Caused When Cars Collide

An automobile operated by George E. Barnes, 24, of Andalusia, Ala., collided with a car driven by Eugene F. Ecker, 17, of York Springs R. 2, an eighth of a mile north of Heidlersburg at 7:30 o'clock Monday night on the Gettysburg-Harrisburg road, state police of the Gettysburg sub-station reported today.

Police said Ecker was driving east on a township road which intersects with the Harrisburg road, and swung into the latter highway. As he did so, his motor stalled. Barnes, driving south, came over the crest of a grade, and swung left in an attempt to avoid the Ecker car. His right front fender struck the left front of the Ecker car, police said.

The Ecker car is owned by Maurice Ecker. Damage to it was estimated at \$150, and damage to the Barnes car at \$350. No one was injured.

Named Judge In Utility Contest

Edmund W. Thomas, president of the First National bank, has been named one of the judges in a contest sponsored by the Metropolitan Edison company, according to an article in the current issue of the MECCO magazine.

The Metropolitan Edison offers \$800 in prizes in U. S. Savings bonds for completing the sentence, "Government In Business Hurts Me Because . . ." Entries of from 50 to 500 words are to be mailed prior to December 15 to "Reddy Kilowatt," room 804, 412 Washington street, Reading, Pa.

Offers Reward For Facts On BB Gunners

C. W. Epley, proprietor of the Studebaker garage, Chambersburg and South Washington streets, today offered a reward of \$25 for information leading to the apprehension of the person or persons who have damaged windshields of cars and trucks in his used car lot with BB rifles.

"During recent months I have suffered heavy losses through damage to automobiles and I am determined to put a stop to these depredations," an advertisement in today's The Gettysburg Times said. Epley reported to borough police this morning that several windshields and windows had again been damaged in his car lot.

Family Made Ill
By Escaping Gas

A Littlestown family of four escaped serious harm although all were made ill by escaping gas while asleep in their home early Sunday morning.

Mr. and Mrs. Norman Snyder and two young children, James street, were treated by Dr. Philip D. Zulick, Littlestown, after the doctor discovered they were suffering from the effects of the gas. All have recovered satisfactorily.

HOUSEWIFE IMPROVES ART

Los Angeles, Nov. 21 (AP) — Mrs. Elizabeth Ann Fry, a housewife who has never had an art lesson, spends her spare time improving on the work of professional painters. Mrs. Fry specializes in renovating statues and religious objects in churches, convents and monasteries. She touches up paint faded by the passage of time or if necessary removes the old pigment and applies a complete new coat. She got the idea "while putting on my makeup one day" and has been doing it for several years.

Indians Expect
Milder Winter

Seattle, Nov. 21 (AP)—Indians who work for the Boeing Aircraft company think this winter will be mild. Five of the men agreed that signs point to less snow and cold than last year. One woman disagreed. She thought there might be plenty of cold. Most of them said their parents or old people of their tribes were better at predicting weather than they were.

Last year Boeing also asked its Indian workers what the winter would be like. Last year they hit it on the nose—predicting lots of snow and cold.

Recent Diet legislation provides for the licensing and registration of architects throughout Japan.

Gardenia Growing Guide

Indoor plant growers who wish to add the beautiful gardenia to their collection for the coming winter should buy small potted specimens at once. How to handle this excellent flowering shrub from potting to flowering is fully explained in our simplified cultural instructions. Send the editor a self-addressed stamped envelope for your free copy at once. And include all the related indoor plant questions desired.

The PILGRIMS learned
it the hard way

The first Pilgrims set up a welfare state. Everyone owned the land. Everyone was supposed to work equally, everyone came in for an equal share of the harvest.

It didn't work. Crops were poor. Pilgrim "community of effort" didn't produce enough food. Two important points stood out: First, if you want to have something you have to produce it. Second, human nature being what it is, anybody will work better if there's an opportunity for individual advancement.

So, after starving along for three years the Pilgrims tried a new system. They allotted land to each man for his own use. They agreed that each person was entitled to the fruits of his labor.

With the chance to make an individual profit people went to work harder. More land was planted, it was more carefully tended and tilled. That year the Pilgrims had their biggest harvest — and they never went back to a communal system.

But other people have tried it here in Pennsylvania. Fifty or more groups, two of them in the western part of Pennsylvania, have tried. The Harmonites and the Economites. They failed. Every other attempt failed.

People who are dazzled by the term "Welfare State" should take a look through history. What they're talking about is actually a system whereby government officials take over a man's earnings, give him back what they consider good for him—and call it a favor. "Poorhouse State" would be a better name, for it cuts production and stifles opportunity. It has been tried again and again—and always failed.

What held true then holds true today. The fact remains that efficient production is the only way to real security. The more we produce, the more we have. It's true whether a man works for himself or as part of a several-thousand person team. It's true under Capitalism.

At This Thanksgiving time we Americans can be mighty thankful for our system of voluntary teamwork between people who buy tools and the people with the skills to use them. Our American system isn't perfect yet but it has helped us produce more, earn more, and have more — more goods, comfort, freedom, security and opportunity than any other people in the history of the World.

SCOUTS GO ON WEEKEND HIKE

Friday at 6 p.m. Boy Scout Troop No. 84 left from the Littlestown State bank building to go on a pioneer wilderness hike. The troop hiked to the Pigeon Hills and camped on Friday night at Pigeon Hills park. They returned to Littlestown on Saturday morning. Scouts who went on the hike were Arthur Barnes, Kenneth Koonitz, Gary Keefe, James Sellman, Larry Snyder, Leonard Potter, James Zwick, John Flynn, Albert Snyder, Lee Krout and Ronald Burk. The assistant scout leader Edward B. Geiman supervised the trip.

The members of the Lambda Tau chapter of the National Honor society of Littlestown spent Saturday and Sunday making a tour of New York city. The itinerary included the Empire State building, attending the Broadway play, "Gentlemen Prefer Blondes," seeing movies and a stage play at Paramount and Radio City music hall, touring National Broadcasting company's radio and television studio; while there the students saw the Saturday evening television program, "Your Hit Parade" being televised. Some meals were eaten in Greenwich Village. On Sunday the students attended the morning worship services at Riverside church. The Rev. Dr. Harry Fosdick spoke on "Courage For Tough Times." The group then went on a sight seeing tour, which included visiting Grant's Tomb, Columbia university, New York university, Wall street, Harlem, Central Park, and the Hudson River docks. The trip was greatly enjoyed by the following members of the society, seniors, Eleanor Bankert, Mahlon Weikert, Doris Hess, Jack Mackley, Helen Rebert, Lois Lee Cluck, Doris Good and alumni members, Eleanor Harner and Evelyn Harget. The group was chaperoned by faculty members, Miss LeOra Held and Garnet Schellhase. Mrs. Schellhase also accompanied the group.

Miss Jane Miller, a student at Church Home and Hospital, Baltimore, Md., spent the week-end at the home of her parents, Mr. and Mrs. Irvin Miller, South Queen street.

Mr. and Mrs. Edward F. Hawk, and daughters, Sandra and Dolores, East King street, visited on Sunday with Mr. and Mrs. Frank L. Stutely and daughter, Peggy, near New Windsor, Md.

Albert Stock was the leader for Christian Endeavor at St. Paul's Lutheran church on Sunday evening. He led the discussion on "Who Is Really Wealthy?" Donald Kump read the devotion, "Let Us Give Thanks" and a poem, "Give Thanks." The scripture was read by Dolores Rae Reindollar, followed with a story by Daria Lemmon. The topic of the evening was discussed and the topic scripture was read by Evelyn Dickinson. Jean Yealy, president, was in charge of the business. Plans were made for the annual Christmas party. Daria Lemmon will be the leader next week. The topic for discussion will be "What Do I Owe To God?"

Postmaster Clarence L. Schwartz has announced that there will be no window service or no deliveries from the postoffice on Thursday, Thanksgiving Day. Mail will be received and dispatched as usual but special delivery letters and perishables will be delivered.

Chamber of Commerce President Samuel H. Higinbotham has announced that the State Liquor store and all other stores in Littlestown will be closed Thursday, Thanksgiving Day. The Littlestown National bank and the Littlestown State bank will be closed for the Thanksgiving holiday also.

The Littlestown Baseball club met on Monday evening at the Veterans of Foreign Wars post home with President Lewis H. Fox in charge of the meeting. The financial report was given by the secretary, Bernard Reaver. An auditing committee was appointed by President Fox composed of Charles W. Weikert, Wilbur E. Mackley and J. Robert Sell. It was decided to have a banquet for the baseball players, their wives and the club directors after New Year. The committee in charge of setting the date and finding the place to hold the banquet comprises William Mehring, Marvin Breighner and J. Arthur Boyd.

St. John's Lutheran church will omit junior and young peoples choir rehearsal this Wednesday at 6:30 p.m. due to the community Thanksgiving service at 7:30 p.m. in Redeemer's Reformed church. Rev. Frank E. Reynolds, pastor of the church, will deliver the Thanksgiving message.

the Sunday evening meeting of St. John's Lutheran church Christian Endeavor held at the church. The meeting opened with the call to worship and a poem offered by the leader for the evening, Kenneth S. James. The scripture was read by Margaret Myers followed with a poem read by Alvina Groft. A solo "Now Thank We All Our God" was sung by Miss Lydia Sentz, Littlestown, accompanied on the piano by Mrs. Arthur E. Bair, Jr. A litany of praise was read by the leader, Kenneth S. James, and the group. Following the litany, an exercise, "I Am Thankful," was presented by the junior members of the Christian Endeavor association of the church, those who participated in the exercise were Willa Ketterman, Joyce Barnes, Allen King, John Groft, Jerry Warner and Kenneth S. James. A duet, "Father We Thank Thee for The Night," was sung by Carolyn and Alvina Groft. The topic was discussed followed by two readings by Fred King, the first of which was a poem, "Give Thanks to God for Little Things," the second reading was a "Creed for Discouragement." The meeting was brought to a close with the group singing the "Doxology" and repeating the Christian Endeavor benediction. The leader for the meeting next week will be Alvina Groft.

Charles Grove was the leader for the discussion of the topic, "Who Is Truly Wealthy," at the Sunday evening meeting of Christ Reformed church Christian Endeavor. The meeting opened with a song service led by the chorister, Theodore Bair, accompanied on the piano by Fred Warner. The scripture was read by Ruth Grove, followed with a prayer by Mrs. Ralph Unger, Sr. Group singing was enjoyed and the offering was received by Larry Unger. The topic was discussed by the leader, assisted by Mervin K. Myers. The meeting was then turned over to the vice-president, Ruth Grove, who conducted the business session. The meeting was closed with a song by the group repeating the Lord's prayer and the Christian Endeavor benediction.

Michael Allen Stormes, son of Mr. and Mrs. Hershel M. Stormes, Littlestown, was baptized at the Sunday morning mass at St. Aloysius Catholic church, by the pastor, the Rev. Fr. Edward J. Shanahan. The sponsors were Mr. and Mrs. Mark Frazer, Hanover, maternal uncle and aunt of the child.

Shoots 'Squirrel' And Bags Monkey

Nanty Glo, Pa., Nov. 21 (AP)—Don Thomas was a very bewildered young hunter.

The 22-year-old apprentice carpenter went squirrel hunting yesterday and came back with a monkey. Thomas said he spotted the animal in a tree top and "it just naturally looked like a squirrel." He fired and the monkey fell dead at his feet. Game protectors advanced the theory that the monkey had been roaming at large since escaping from a carnival which played near Nanty Glo last summer.

"I didn't know what to think when I picked it up," said hunter Thomas. "I hoped I don't get in trouble with the game commission."

Game protectors assured him he wouldn't.

Most large lumber and paper companies in the United States have placed their timber resources under management which will yield a continuous growth of trees.

Personal To Women With Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

NURSEMAID ACCUSED OF KIDNAPING

Harrisburg, Nov. 21 (AP)—A statutory kidnapping charge has been lodged against nursemaid Mary Margaret Williams, who ran off to Philadelphia with little Deborah booth, two and a half.

The flight of the 18-year-old Steelton girl with her tiny charge touched off a full-scale police hunt which started Friday and did not end until Sunday night.

Information was filed here yesterday with Alderman Joseph Demma by Cpl. Joseph Salinger, of the state police.

"This is being done to protect all persons so they might feel secure with their children," said James W. Reynolds, assistant Dauphin county district attorney.

Faces Heavy Penalty
Reynolds said he was acting on orders from District Attorney Carl B. Shelley, who was out of town.

A conviction on a statutory kidnapping charge, he said, would carry a prison term of up to 15 years and

a fine of up to \$5,000.

Alderman Demma ordered the Williams girl held under \$2,000 bail pending a hearing scheduled for tomorrow at 2 p.m.

Mrs. Booth, widowed mother of two other small children besides Deborah, was reported near a state of collapse when the little girl was found.

Previously she had declared she would file no charges against the nursemaid who disappeared without leaving a trace at the Booth home in a fashionable section of Harrisburg last Friday.

Out Of Mother's Hands
District Attorney Shelley, however, said the case was out of the mother's hands.

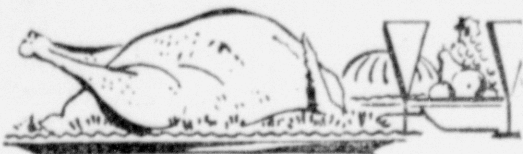

Mrs. Thomas Wiles, mother of the nursemaid, said in Steelton last night that she couldn't understand "What possessed Mary to do such a thing."

She said that Mary Williams, her daughter by a previous marriage, was "impossible to manage," but added: "I wish I could raise that much money."

She referred to the \$3,000 bail. "I'd like to see her out of jail," the mother said.

Bremen, the German port, is 46 miles inland from North Sea on the Weser river.

SLOW REARMING OF WEST EUROPE CAUSES WORRY

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

The slowness of Western Europe in responding to the needs for defensive rearmament is causing concern among the democracies.

While observers aren't expecting any attack from Eastern Europe at this juncture, the cold fact is that right now the western Allies probably couldn't stop Russia if she suddenly decided to send her powerful armies through to the English channel.

Potentially the Allies have the power for the job, but practically the defensive organization has been marking time. This has been due in

part to indecision in some quarters, and in part to lack of accord on vital points.

One of the major problems has revolved about the sensational proposal to rearm Western Germany and make her a part of the defensive force. The Allied military experts reluctantly decided that, despite the original firm decision to keep Germany under wraps for a long time, her rearmament was essential to protection of this key position of central Europe.

France and Britain finally agreed to this, with misgivings and reservations because of Germany's past transgressions. Federal Chancellor Konrad Adenauer of the West German regime had announced that his government was prepared to cooperate. It looked as though that ticklish problem had been solved.

Then Came The Election
Then last week-end elections were held in the states of Hesse and Wurttemberg-Baden, in the American sector, and Socialists blew the

lid off. The Socialists, who had been fiercely opposing German rearmament to support western defense, won a smashing victory. They forthwith claimed the result an endorsement of their opposition to rearmament and a protest against Adenauer's policies.

More than incidentally, the Socialists also gave the Communists a terrible beating. Not one Red candidate was elected and the result is hailed as a complete rejection of

Moscow's policies.

Of course this Socialist rejection of German rearmament isn't necessarily the final word, though it's a clear-cut indication that the proposal has powerful opposition among the Germans themselves. The Western powers undoubtedly will continue working on the project and it will be surprising if there isn't some sort of German rearmament, with the incorporation of German units into the Allied Forces.

FIFTY YEARS AGO

Local Miscellany: On Wednesday noon as Charles L. Topper, of Orrfanna, was getting out of the wagon to feed his horses, at John P. Dick's Straban township, he fell and broke his arm below the elbow. He was brought to his father's in this place where Drs. Trout and Goldsborough set the arm.

A contemporary announces that the automobile has been retired for the winter. The horse, God's gift to man, will be found ever ready to stem the storms, anchor the weary passengers safely to harbors of comfort, while the automobile is seeking a well deserved rest. But when the roses bloom in springtime and the grass begins to grow, the machine with electric power will assume its place on the diamond to compete with the horse for business.

Last Thursday night was the coldest this season. Ice one-half inch thick formed in some places. The thermometer registered 24 degrees. The addition to the rear of the Eagle Hotel, Isaiah Reinhold, contractor, is under roof and work on it is progressing rapidly. The addition is three stories high with Mansard roof.

Wedding Bells: On Wednesday morning a quiet wedding took place at the bride's home on Baltimore street, when Mrs. Dora H. Chapman became the wife of Dr. Jerome Swartz, of New Marion, Franklin county, and formerly of this place. Rev. M. C. Horine of Reading, performed the ceremony, assisted by Rev. Dr. T. J. Barkley. A wedding breakfast was served after the ceremony and the bride and groom left immediately for their home at New Marion.

Today's Talk

By GEORGE MATTHEW ADAMS

DO THE THING MOST WANTED

All over this world there are people walking around in the wrong garments, those that do not fit, and which only serve to irritate and repel. In other words these people are wasting precious days in doing something for which they have neither love nor adaptability.

After all, it is personal happiness and inward satisfaction that we all should consider as our pleasure in life. We have to be first useful to ourselves before we can distribute this usefulness to others, or to the world. To accomplish this we must select those things to do, and devote our lives to what we most want to do.

I have a friend whose early life was embittered with hatred toward his father because that father insisted upon the son becoming a lawyer when he wanted most to be an artist. He was always happiest when drawing, sketching or painting. In later years he became famous as an artist, but it was the satisfaction of doing what he most wanted to do that gave him the greatest joy.

It is just as important to flavor one's work with love and pleasure as it is to flavor one's food with salt. People who love their work are always the most efficient, and happiest. One does not need to hesitate about one's life work if he will but do the thing he most wants to do, regardless of monetary returns. Mental satisfaction, and the spiritual return, are far more worthy and important.

Robert Frost is America's greatest poet—but it was some 20 years before his great talent was recognized—and that in England! He was a teacher, a farmer, and only an occasional contributor of poems to publications, before he decided to devote his entire life to poetry. As of today no American poet has been so honored, and justly so. He finally did the thing he most wanted to do. No regrets return to plague one who has for long devoted himself to an inward cultivation of mind and heart. That is something permanent. The personal, happy experiences are the ones we all want most, and should strive to gain.

Tomorrow Mr. Adams will talk on the subject: "Seeing Without Knowing."

EXPECT KOREAN WAR TO GO ON UNTIL SPRING

By STAN SWINTON

On the Northeast Front, Korea, Nov. 21 (AP)—United Nations intelligence officers predict the Korean war will continue well into next spring.

Wild, inaccessible mountains, head-high snow drifts and temperatures 20 degrees and more below zero will delay the U.N. victory, they fear. They consider enemy resistance a secondary factor.

They do not believe the North Korean and Chinese Communists can build a winter line which could hold—if U.N. Forces could bludgeon it with full strength.

But sub-zero temperature will cut combat efficiency. Most of the U.N. Army's resources will be absorbed in just keeping men alive and in the line.

Effects Of Winter

Any winter cleanup offensive in an area where the terrain and poor roads would give the Communists all the advantages is virtually out of the question, these sources say.

This is what qualified intelligence sources expect the deep winter to bring: First—increasing bad feelings between North Korean and Chinese Communists; second—a build-up of organized guerrilla activity to harass U.N. Forces both at the front and rear. Most guerrilla activity so far has been bypassed by North Korean units; and third—sub-zero weather is expected to hurt the ill-equipped enemy more than the U.N. Forces. By spring, cold weather casualties may have reduced the communists' fighting power sharply.

A winter campaign, however, does not mean U. N. advances are not expected to continue. Looking far to the future, most qualified sources expect a windup of the Korean War next spring unless a change in the international picture brings the Reds new reinforcements.

An unusual program was presented Sunday evening in the parish house of Elias Evangelical Lutheran church by the children of the church under the direction of Mrs. Philip Bower and Mrs. Robert Daugherty. Miss Barbara Sue Eyster acted as leader and conducted the entire service, which opened with the hymn, "Beautiful Saviour" and continued with the Scripture lessons read by David Unble and Nancy Bollinger. Norman Shriver as the mailman delivered a number of letters from missionaries, church leaders and officials addressed to individual boys and girls who read them to the audience. Seals were placed on a large world map by the boys and girls showing the places

from which the letters had come. The letters gave a picture of the work the children of the church are doing through their Thank-Offertings. Patty Jean Bower sang a solo. An offering of approximately \$100 was received by four girls and two boys, Nina Shank, Nora Damuth, Betsy Hays, Sue Eyster, Fred Kugler and Bobby Ginkell. A group of small children under the direction of Mrs. Roy Maxwell and Mrs. Charles Harner sang songs and a candle lighting ceremony presenting, "Jesus, The Light of the World." Selection of the twelve apostles was given by twelve older boys directed by Mrs. Robert Daugherty.

Quaker Jailed As Evader Of Draft

Philadelphia, Nov. 21 (AP)—The first person sent to prison from the Philadelphia federal district for violating the 1948 peacetime selective service act is a 23-year-old Quaker.

T. Vail Palmer, Jr., of Concordville, Pa., yesterday rejected a last-minute chance to change his mind and U.S. District Judge J. Cullen Ganey sentenced him to a year and a day in a federal penitentiary.

Palmer, son of Mrs. Esther Lamborn Palmer, clerk of the Concord monthly meeting of Friends, pleaded no defense to a charge that he violated the draft act by refusing to register. In rejecting the last-minute chance to register, he maintained that even registering would be contrary to his religious convictions.

Before Judge Ganey pronounced sentence, Assistant U.S. Attorney Edward A. Kallick asked whether he wanted to change his mind. "No sir," Palmer replied.

EASY STEPS WITH GERANIUMS

There are six common causes of failure with indoor geraniums, here listed in probable order of their importance: (1) Too high temperatures, (2) Too large pots, (3) Fumes from gas stoves, (4) Too much or too frequent watering, (5) Allowing old plants to grow tall and spindly, and (6) Lack of sunshine.

Commenting on these six errors briefly may help beginners with this popular plant. First, few geraniums fail when kept in temperatures below 70 degrees; few succeed in temperatures above 72. The chief evils of high temperatures are apparently found in dry air that usually accompanies higher levels.

If the pot is exceptionally large for unlimited root expansion there is a tendency for the plant to spend its strength in additional foliage at the expense of blooms. There must be at least a slight binding of roots to promote flowers.

Fumes from gas stoves, especially those from gas cooking ranges which have no flue connections, may seriously injure geraniums. Keeping fumes at a minimum is a safe insurance.

The sprinkling habit, daily sprinkling, has perhaps contributed to more failures with this plant than any other factor among inexperienced growers. The soil should be allowed to become dry to the touch before watering. One or two good soakings a week is far better than daily light applications.

Tall, lanky geranium plants rarely bloom. If growers want blooms they must keep their plants low, spreading and compact. This is the main key to success, particularly in terms of flowers. Pinching back the longer shoots by removing the terminal buds during the early part of the growing stage will accomplish this desirable end.

South, east and west windows are recommended for geraniums in or-

der named. Few other common house plants demand more sunshine. Seldom does a specimen bloom in all-day shade.

One of the best and most economical ways to produce fine blooming geraniums indoors is to grow new plants from cuttings each year. Shoots of the old plant should be cut off after it blooms. The top 4-inch piece of each shoot makes the best cutting. If length of stem permits, the next 4-inch section may likewise be used, although it produces a plant more slowly than the top of tip cutting. Make each cut just below where a leaf stem is attached. Then remove the lower leaves from each cutting section and pot it in sand or vermiculite. Several cuttings—four or five—may be rooted in one of the larger shallow types of clay pot. After roots are an inch to two inches long the cuttings should be moved to individual pots of fertile loam.

Cuttings may be protected from excessive loss of leaf moisture by covering them with upturned glasses for a few days after potting. Newly shifted plants should be kept in shade for two or three days to permit roots to become established. Problems in controlling white flies, tomatoes, alfalfa, fruit trees and

mealybugs or aphids, handling young plants and other phases of geranium culture are numerous. But the editor will gladly answer all questions. Readers are invited to write him and enclose all their geranium questions and ask for a free copy of our geranium planting and care instructions. Please furnish a self-addressed, stamped envelope for personal reply.

WALNUTS FOR FARM REVENUE

Black walnuts produce more protein per acre than does a heavy yield of wheat. This fact is but one of many reasons why farmers should consider this tree as a sustaining source of revenue.

Many persons hesitate to plant black walnut trees because they think there will be a half-lifetime intervening before the tree comes into production. This is partly true of trees grown from planted nuts—seedlings. But from improved grafted nursery trees the grower may reasonably expect a few nuts in the third year and by the eighth year a yield of approximately \$10 to \$12 worth of nuts may be harvested from each improved tree.

Of course, black walnut values cannot be computed alone in terms of nuts. The tree produces one of man's most valuable timbers. Few other trees increase so rapidly in potential worth. Planting for timber is an excellent farm investment; for both timber and nut crops are incomparable ways to build future farm values.

Widely prevalent is a baseless rumor that black walnut trees spread a toxic organic compound from their roots into adjoining soils and thereby damage potatoes.

several other crops. This belief is shared throughout the country. Careful and exhaustive tests completely acquit the walnut tree of this charge. There is no evidence to support this theory.

Observation in years of severe drought shows that black walnut trees produce almost normal crops where most other farm crops fail. The reason lies in their deep rooting habits plus their rather light foliage. However, regardless of the explanation, the fact adds another important merit for farmers to consider. Here may be the one major revenue source when rainless weather takes a heavy toll of other farm revenue crops.

Improved or so-called pedigreed black walnut trees should come into maximum production around their twenty-fifth year when yields should exceed \$100 per tree. In fact, with consumer demands for the tasty nuts steadily mounting, it is probable that prices will remain relatively higher than those for other nuts. Such nuts as pecans, although marketing channels have been seriously clogged by governmental experiments in marketing control, may easily be over-produced. This condition is unlikely with black walnuts.

Many farmers retain sycamore and similar useless trees along creek banks and in other idle pasture nooks where black walnut trees should be growing, either for timber alone or both timber and nut production.

To grow this tree from nuts, which

PSYCHOSOMATIC IS DESCRIBED

Houston, Tex., Nov. 21 (AP)—Ever feel like no one wants to give you anything?

Too bad. That's a sign of a psychosomatic.

Psychosomatics, explains Dr. O. Spurgeon English, are persons who have bodily pains, one or more, that are directly caused by emotional disturbances.

The professor of psychiatry yesterday told the South Texas post graduate medical assembly that headaches and cardiac disturbances are among the common pains that

is preferred mainly for timber roles and nut production for home use, nuts should be stratified over winter or planted within the next few weeks. Fall planting requires some form of protection to prevent rats, field mice, squirrels and other animals from destroying the nuts. A small tin can with the bottom cut out and the top opened to a four-pronged shield will furnish this protection when pushed down over the planted nut. By the time the seedling is well started through the pronged opening the body of the can will be rusted away.

The editor invites questions and letters from interested readers on this subject.

usually develop from emotional disturbances.

Persons most subject to these diseases, he said, have the following attitudes:

No one wants to give me anything.

Life has not been good to me and I'll be darned if I'll enjoy it.

PROOF!

that your best buy in cooking is an automatic GAS range

Boil, broil, bake, braise...

GAS is away out front!

GAS gives you instant full heat!

Even a fraction of a minute delay—as in the case with some ranges—means wasted fuel. Get instant heat, cook faster, with GAS.

From boil to simmer at the turn of a knob!

With some fuels the change-over is gradual. With GAS it's instantaneous!

Stop boil-overs immediately!

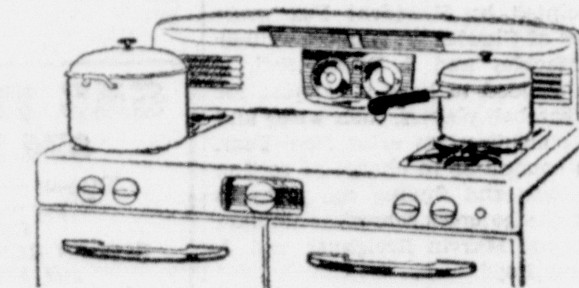

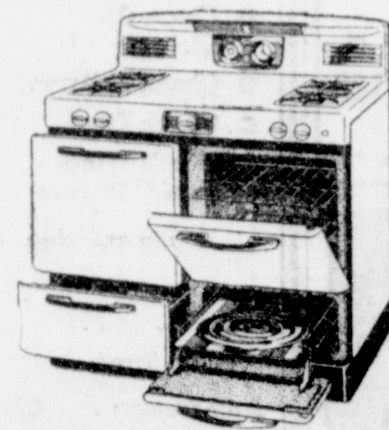

The only way to stop a boil-over on some ranges is to snatch the pot off the burner. With GAS, when you turn the gas down, the boil-over stops.

Use any pans—with GAS!

Some fuels demand flat-bottomed, straight-sided pans that exactly fit the burner. GAS lets you use any pan you like—of any size or shape.

GAS burners last the life of the range!

Burners on some ranges burn out, must be replaced periodically. But GAS ranges have lifetime, non-clog burners.

Bake on any rack, get the same results—with GAS!

Radiated heat—as in some ranges—doesn't distribute the heat evenly. Heat by convection—as in GAS ranges—circulates the heat so you can bake evenly anywhere in the oven.

Broil with the door closed!

GAS eats up the smoke. With some other fuels, you must let the broiler door open, letting smoke and heat pour out into the kitchen.

Buy the low-cost range... use the low-cost fuel—GAS!

These are only a few ways to prove that your best buy in cooking is an Automatic GAS Range. See the beautiful new models tomorrow at your Gas Appliance Dealer's or Gas Company Office.

SCOUTS GO ON WEEKEND HIKE

Friday at 6 p.m. Boy Scout Troop No. 34 left from the Littlestown State bank building to go on a pioneer wilderness hike. The troop hiked to the Pigeon Hills and camped on Friday night at Pigeon Hills park. They returned to Littlestown on Saturday morning. Scouts who went on the hike were Arthur Barnes, Kenneth Koontz, Gary Keefe, James Sellman, Larry Snyder, Leonard Potter, James Zuck, John Flynn, Albert Snyder, Lee Krout and Ronald Burk. The assistant scout leader Edward B. Gelman supervised the trip.

The members of the Lambda Tau chapter of the National Honor society of Littlestown spent Saturday and Sunday making a tour of New York city. The itinerary included the Empire State building, attending the Broadway play, "Gentlemen Prefer Blondes," seeing movies and a stage play at Paramount and Radio City music hall, touring National Broadcasting company's radio and television studio; while there the students saw the Saturday evening television program, "Your Hit Parade" being televised. Some meals were eaten in Greenwich Village. On Sunday the students attended the morning worship services at Riverside church. The Rev. Dr. Harry Fosdick spoke on "Courage For Tough Times." The group then went on a sight seeing tour, which included visiting Grant's Tomb, Columbia university, New York university, Wall street, Harlem, Central Park, and the Hudson River docks. The trip was greatly enjoyed by the following members of the society, seniors, Eleanor Bankert, Mahlon Weikert, Doris Hess, Jack Mackley, Helen Robert, Lois Lee Cluck, Doris Good and alumni members, Eleanor Harner and Evelyn Harset. The group was chaperoned by faculty members, Miss Leora Held and Garnet Schellhase. Mrs. Schellhase also accompanied the group.

Miss Jane Miller, a student at Church Home and Hospital, Baltimore, Md., spent the week-end at the home of her parents, Mr. and Mrs. Irvin Miller, South Queen street.

Mr. and Mrs. Edward F. Hawk and daughters, Sandra and Dolores, East King street, visited on Sunday with Mr. and Mrs. Frank L. Stutely and daughter, Peggy, near New Windsor, Md.

Albert Stock was the leader for Christian Endeavor at St. Paul's Lutheran church on Sunday evening. He led the discussion on "Who Is Really Wealthy?" Donald, Kump read the devotion, "Let Us Give Thanks" and a poem, "Give Thanks." The scripture was read by Dolores Rae Reindollar, followed with a story by Darla Lemmon. The topic of the evening was discussed and the topic scripture was read by Evelyn Dickinson. Jean Yealy, president, was in charge of the business. Plans were made for the annual Christmas party, Darla Lemmon will be the leader next week. The topic for discussion will be "What Do I Owe To God?"

Postmaster Clarence L. Schwartz has announced that there will be no window service or no deliveries from the postoffice on Thursday, Thanksgiving Day. Mail will be received and dispatched as usual but special delivery letters and perishables will be delivered.

Chamber of Commerce President Samuel H. Higinbotham has announced that the State Liquor store and all other stores in Littlestown will be closed Thursday, Thanksgiving Day. The Littlestown National bank and the Littlestown State bank will be closed for the Thanksgiving holiday also.

The Littlestown Baseball club met on Monday evening at the Veterans of Foreign Wars post home with President Lewis H. Fox in charge of the meeting. The financial report was given by the secretary, Bernard Reaver. An auditing committee was appointed by President Fox composed of Charles W. Weikert, Wilbur E. Mackley and J. Robert Sell. It was decided to have a banquet for the baseball players, their wives and the club directors after New Year. The committee in charge of setting the date and finding the place to hold the banquet comprises William Mehring, Marvin Breighner and J. Arthur Boyd.

St. John's Lutheran church will omit junior and young peoples church rehearsal this Wednesday at 6:30 p.m. due to the community Thanksgiving service at 7:30 p.m. in Redeemer's Reformed church. Rev. Frank E. Reynolds, pastor of the church, will deliver the Thanksgiving message.

the Sunday evening meeting of St. John's Lutheran church Christian Endeavor held at the church. The meeting opened with the call to worship and a poem offered by the leader for the evening, Kenneth S. James. The scripture was read by Margaret Myers followed with a poem read by Alvina Groft. A solo "Now Thank We All Our God" was sung by Miss Lydia Sentz, Littlestown, accompanied on the piano by Mrs. Arthur E. Bair, Jr. A litany of praise was read by the leader, Kenneth S. James, and the group. Following the litany, an exercise, "I Am Thankful," was presented by the junior members of the Christian Endeavor association of the church, those who participated in the exercise were Willa Ketterman, Joyce Barnes, Allen King, John Groft, Jerry Warner and Kenneth S. James. A duet, "Father We Thank Thee for The Night," was sung by Carolyn and Alvina Groft. The topic was discussed followed by two readings by Fred King, the first of which was a poem, "Give Thanks to God for Little Things," the second reading was a "Creed for Discouragement." The meeting was brought to a close with the group singing the "Doxology" and repeating the Christian Endeavor benediction. The leader for the meeting next week will be Alvina Groft.

Charles Grove was the leader for the discussion of the topic, "Who Is Truly Wealthy?" at the Sunday evening meeting of Christ Reformed church Christian Endeavor. The meeting opened with a song service led by the chorister, Theodore Bair, accompanied on the piano by Fred Warner. The scripture was read by Ruth Grove, followed with a prayer by Mrs. Ralph Unger, Sr. Group singing was enjoyed and the offering was received by Larry Unger. The topic was discussed by the leader, assisted by Mervin K. Myers. The meeting was then turned over to the vice-president, Ruth Grove, who conducted the business session. The meeting was closed with a song by the group repeating the Lord's prayer and the Christian Endeavor benediction.

Michael Allen Stormes, son of Mr. and Mrs. Hershel M. Stormes, Littlestown, was baptized at the Sunday morning mass at St. Aloysius Catholic church, by the pastor, the Rev. Fr. Edward J. Shanahan. The sponsors were Mr. and Mrs. Mark Frazer, Hanover, maternal uncle and aunt of the child.

Shoots 'Squirrel' And Bags Monkey

Nanty Glo, Pa., Nov. 21 (AP)—Don Thomas was a very bewildered young hunter.

The 22-year-old apprentice carpenter went squirrel hunting yesterday and came back with a monkey. Thomas said he spotted the animal in a tree top and "it just naturally looked like a squirrel." He fired and the monkey fell dead at his feet. Game protectors advanced the theory that the monkey had been roaming at large since escaping from a carnival which played near Nanty Glo last summer.

"I didn't know what to think when I picked it up," said hunter Thomas. "I hope I don't get in trouble with the game commission."

Game protectors assured him he wouldn't.

Most large lumber and paper companies in the United States have placed their timber resources under management which will yield a continuous growth of trees.

NURSEMAID ACCUSED OF KIDNAPING

Harrisburg, Nov. 21 (AP)—A statutory kidnapping charge has been lodged against nursemaid Mary Margaret Williams, who ran off to Philadelphia with little Deborah booth, two and a half.

The flight of the 18-year-old Steelton girl with her tiny charge touched off a full-scale police hunt which started Friday and did not end until Sunday night.

Information was filed here yesterday with Alderman Joseph Demma by Cpl. Joseph Salzingner, of the state police.

"This is being done to protect all persons so they might feel secure with their children," said James W. Reynolds, assistant Dauphin county district attorney.

Reynolds said he was acting on orders from District Attorney Carl B. Shelley, who was out of town.

A conviction on a statutory kidnapping charge, he said, would carry a prison term of up to 15 years and

a fine of up to \$5,000. Alderman Demma ordered the Williams girl held under \$2,000 bail pending a hearing scheduled for tomorrow at 2 p.m. Mrs. Booth, widowed mother of two other small children besides Deborah, was reported near a state of collapse when the little girl was found. Previously she had declared she would file no charges against the nursemaid who disappeared without leaving a trace at the Booth home in a fashionable section of Harrisburg last Friday.

Out Of Mother's Hands District Attorney Shelley, however, said the case was out of the mother's hands.

Mrs. Thomas Wiles, mother of the nursemaid, said in Steelton last night that she couldn't understand "What possessed Mary to do such a thing."

She said that Mary Williams, her daughter by a previous marriage, was "impossible to manage," but added: "I wish I could raise that much money."

She referred to the \$3,000 bail. "I'd like to see her out of jail," the mother said.

SLOW REARMING OF WEST EUROPE CAUSES WORRY

By DEWITT MACKENZIE (AP Foreign Affairs Analyst)

The slowness of Western Europe in responding to the needs for defensive rearmament is causing concern among the democracies.

While observers aren't expecting any attack from Eastern Europe at this juncture, the cold fact is that right now the western Allies probably couldn't stop Russia if she suddenly decided to send her powerful armies through to the English channel.

Potentially the Allies have the power for the job, but practically the defensive organization has been marking time. This has been due in

part to indecision in some quarters, and in part to lack of accord on vital points. One of the major problems has revolved about the sensational proposal to rearm Western Germany and make her a part of the defensive force. The Allied military experts reluctantly decided that, despite the original firm decision to keep Germany under wraps for a long time, her rearmament was essential to protection of this key position of central Europe.

France and Britain finally agreed to this, with misgivings and reservations because of Germany's past transgressions. Federal Chancellor Konrad Adenauer of the West German regime had announced that his government was prepared to cooperate. It looked as though that ticklish problem had been solved.

Then Came The Election. Then last week-end elections were held in the states of Hesse and Wurttemberg-Baden, in the American sector, and Socialists blew the

big off. The Socialists, who had been fiercely opposing German rearmament to support western defense, won a smashing victory. They forthwith claimed the result an endorsement of their opposition to rearmament and a protest against Adenauer's policies.

More than incidentally, the Socialists also gave the Communists a terrific boost. Not one Red candidate was elected and the result is hailed as a complete rejection of Moscow's policies.

Of course this Socialist rejection of German rearmament isn't necessarily the final word, though it's a clear-cut indication that the proposal has powerful opposition among the Germans themselves. The Western powers undoubtedly will continue working on the project and it will be surprising if there isn't some sort of German rearmament, with the incorporation of German units into the Allied Forces.

RAGING FLOOD WATERS CAUSE HEAVY LOSSES

(By The Associated Press)
Raging flood waters swept through northern and central California and Western Nevada for the third consecutive day today, causing uncounted millions of dollars in damage and leaving at least nine persons dead and thousands homeless.

Here is the situation in the stricken areas:

Nevada — The main section of Reno was under six to eight feet of water as the swirling Truckee river hit with crushing force at 10:30 last night. Push hotels and gambling casinos were flooded. A three-block wide torrent raged through the heart of the "biggest little city in the world." There were two flood deaths.

Seven Deaths In Calif.
California — The American river welled over its banks at Sacramento, forcing 700 residents from their homes. Bear river smashed through levees at three places in the Mari-gold-Hamilton area in Yuba county to the north. Other districts in Central California reported somewhat improved flood conditions.

California had seven deaths directly or indirectly due to the floods. The U. S. weather bureau at San Francisco predicted "moderate to heavy rain" for the High Sierra today — the ninth straight day of storms.

Reno, gaudy little city of casinos and quickie divorces, reeled under the impact of the flood. Muddy water raced through the business district in a stream three blocks wide, sweeping trees, benches, cars in its rage.

River Dikes Break
The Nevada National guard was called out in arms to prevent looting and keep residents from danger zones. All of the city's eight bridges across the Truckee were completely under water.

The biggest threat in California was in the Sutter-Yuba county area. Dikes along the flooding Bear river broke, sending streams of water into the towns of Hamilton and Mari-gold.

At Sacramento the American river spilled over levees late last night, chasing some 700 residents from homes along the river.

Says Driver Ran Him Down and Poked Him

Philadelphia, Nov. 21 (AP)—Pedestrian Robert Green says it was bad enough to be hit by an automobile but when the driver got out and punched him in the jaw—that was too much.

Green told Magistrate E. David Keiser yesterday that's what motorist Frank Alesi did Sunday night when Green asked him "why don't you look where you're going?"

Alesi told the magistrate his car did not strike Green but he admitted striking him "when he cursed at me."

Keiser held Alesi under \$400 bail

FIGHT BRADDOCK FIRE ALL NIGHT

Braddock, Pa., Nov. 21 (AP)—Three large buildings were virtually destroyed in a fire late last night in the heart of this western Pennsylvania community's business district.

More than three hours after the fire broke out Burgess George B. McDonough said the flames were under control but that firemen remained at the scene all night.

Eight families in apartment above two of the buildings were evacuated without injury.

Flames, fanned by a high wind in freezing temperatures, shot fifty feet into the air at the height of the blaze. Firemen were handicapped further by snow and a dense cloud

of smoke. Several firemen were overcome.

The burgess said the flames apparently started in Room's wholesale produce market, which occupied a one-story building. They then spread to the adjoining three-story structure occupied by Martahus and Sons hardware store and to Ronnie's children's store.

The apartments were located on the second and third floors over the hardware and children's stores.

Cause of the blaze could not be determined immediately.

Braddock is about 12 miles south-east of Pittsburgh.

Orangeville, Ont., Nov. 21 (AP)—Teachers helped build Orangeville's \$350,000 high school to be officially opened on January 1. Principal H. Cline and four teachers worked as laborers, bricklayers and electricians to help out during a shortage of labor.

Warships Shell

Reds' Jungle Camps

Singapore, Nov. 21 (AP)—British warships are giving Communist terrorists in the dense jungles of Malaya a hot time. Units of the Far Eastern Fleet, cooperating with British air and land forces, are pumping shells into Communist camps as fast as they can be spotted.

British soldiers who often have to hack their way into suspected jungle hideouts say the fleet is putting up "a fine show." From time to time, a destroyer or cruiser is dispatched from Singapore up the Malayan coast.

Knows How To Store

Sweet Potatoes

New Brunswick, N. J., Nov. 21 (AP)—Dr. Robert H. Daines of Rutgers university knows all about storing

sweet potatoes. He says it is important because the U.S. sweet potato crop is worth \$100,000,000 a year and 20 per cent of it rots in storage.

He says they should be stored at 80 degrees temperature with 90 to 95 per cent humidity for a few days. This will give the potatoes a chance to grow new skin over damaged areas, and keep out disease. Then the temperature should be lowered to 55 degrees.

But if you are a housewife and just want to store sweet potatoes for a few days—dunk them in the refrigerator, he says.

Well Kept Secret

On Preservative

Los Angeles, Nov. 21 (AP)—In November of 1924 a member of the staff of the California State Exposition dropped a potato in a jar of fluid. Today the potato, which has been on display ever since, looks as

fresh and firm as ever.

The formula of the preservative, which makes possible exhibits of fruits and vegetables of all types, has remained a secret of the exhibit staff for more than a quarter century. Only two members at a time know it, according to Exposition Manager Louis V. Venator, who doesn't. The secret is passed to another only upon the death, retirement or resignation of one of the pair.

Family Made Ill By Escaping Gas

A Littlestown family of four escaped serious harm although all were made ill by escaping gas while asleep in their home early Sunday morning.

Mr. and Mrs. Norman Snyder and two young children, James street, were treated by Dr. Philip D. Zulick, Littlestown, after the doctor discovered they were suffering from the effects of the gas. All have recovered satisfactorily.

Lloyd L. Stavelly, Crouse Park, over the week-end, Miss Marion Stavelly a student at Union Memorial hospital, Baltimore, who spent the week-end with her parents, accompanied Mr. and Mrs. Miller back to Baltimore on Sunday evening.

HOUSEWIFE IMPROVES ART

Los Angeles, Nov. 21 (AP) — Mrs. Elizabeth Ann Fry, a housewife who has never had an art lesson, spends her spare time improving on the work of professional painters. Mrs. Fry specializes in renovating statues and religious objects in churches, convents and monasteries. She touches up paint faded by the passage of time or if necessary removes the old pigment and applies a complete new coat. She got the idea "while putting on my makeup one day" and has been doing it for several years.

Recent Diet legislation provides for the licensing and registration of architects throughout Japan.

Indians Expect Milder Winter

Seattle, Nov. 21 (AP)—Indians who work for the Boeing Aircraft company think this winter will be mild. Five of the men agreed that signs point to less snow and cold than last year. One woman disagreed. She thought there might be plenty of cold. Most of them said their parents or old people of their tribes were better at predicting weather than they were.

Last year Boeing also asked its Indian workers what the winter would be like. Last year they hit it on the nose—predicting lots of snow and cold.

Gardenia Growing Guide

Indoor plant growers who wish to add the beautiful gardenia to their collection for the coming winter should buy small potted specimens at once. How to handle this excellent flowering shrub from potting to flowering is fully explained in our simplified cultural instructions. Send the editor a self-addressed stamped envelope for your free copy at once. And include all the related indoor plant questions desired.

The PILGRIMS learned it the hard way

The first Pilgrims set up a welfare state. Everyone owned the land. Everyone was supposed to work equally, everyone came in for an equal share of the harvest.

It didn't work. Crops were poor. Pilgrim "community of effort" didn't produce enough food. Two important points stood out: First, if you want to have something you have to produce it. Second, human nature being what it is, anybody will work better if there's an opportunity for individual advancement.

So, after starving along for three years the Pilgrims tried a new system. They allotted land to each man for his own use. They agreed that each person was entitled to the fruits of his labor.

With the chance to make an individual profit people went to work harder. More land was planted, it was more carefully tended and tilled. That year the Pilgrims had their biggest harvest — and they never went back to a communal system.

But other people have tried it here in Pennsylvania. Fifty or more groups, two of them in the western part of Pennsylvania, have tried. The Harmonites and the Economites. They failed. Every other attempt failed.

People who are dazzled by the term "Welfare State" should take a look through history. What they're talking about is actually a system whereby government officials take over a man's earnings, give him back what they consider good for him—and call it a favor. "Poorhouse State" would be a better name, for it cuts production and stifles opportunity. It has been tried again and again—and always failed.

What held true then holds true today. The fact remains that efficient production is the only way to real security. The more we produce, the more we have. It's true whether a man works for himself or as part of a several-thousand person team. It's true under Capitalism.

At This Thanksgiving time we Americans can be mighty thankful for our system of voluntary teamwork between people who buy tools and the people with the skills to use them. Our American system isn't perfect yet but it has helped us produce more, earn more, and have more — more goods, comfort, freedom, security and opportunity than any other people in the history of the World.

ASSAILS LACK OF HORSE SENSE BY OFFICIALS IN PLANT SALES

By OLIVER DE WOLF

Washington, Nov. 21 (AP)—A Senate committee said today that government officials using less horse sense than if they were running a charity bazaar blundered badly when they sold war-useful plants as surplus.

The armed service preparedness subcommittee headed by Senator Lyndon Johnson (D-Tex.) declared also that the nation's rubber position is "far from satisfactory."

In a caustically-worded report, the committee said government agencies concerned are doing fine on their paper work but not on

performance. It particularly criticized disposal of production plants which are needed in the defense program.

Criticize Four Agencies

The 37-page report was a sequel to one issued last September 5 in which the group, set up as a sort of watchdog of the whole rearmament program, found a "sleazy psychology" in handling of surplus property and rubber programs. "It ill becomes government officials to conduct the public business with less prudence than they would display in operating a charity bazaar," the new report said. "But that has happened."

The committee singled out the Munitions Board, Commerce Department, General Services Administration (GSA) and Air Force for specific criticism. In a general indictment of these four and others, it said:

Asks Investigation

"Progress in paper work—of which there has been considerable—is no substitute for progress in performance—of which there has not been enough. Paper-work preparedness is

only flimsy protection against the threat we face."

The subcommittee cited the Munitions Board for permitting GSA to sell alcohol plants at Kansas City and Omaha, Neb., and GSA for going ahead with the sales.

The subcommittee said it was "not satisfied with GSA's prudence," in the lease of the federally-owned Omaha alcohol plant to the Central States Corporation. It recommended a "thorough investigation" of the company's financial responsibility and termination of the lease if responsibility was not established.

Doubt Validity

The subcommittee said there is doubt about the validity of the GSA

contract which turned the Kansas City alcohol plant over to Schenley Distillers, Inc., for \$701,000. The report said the contract may be "clouded" because it was signed while a GSA "freeze" on such disposals was in effect.

As an instance of "impressive paper work" not followed up by performance, the subcommittee called attention to the Commerce Department's August 25 rubber order. The order was designed to reduce non-military consumption of new rubber to 90,000 tons, and save approximately 15,000 tons a month.

"But the order," the report observed, "generally speaking, favored the larger companies and operated

PAID AFTER 90 YEARS

Rome, Nov. 21 (AP)—The treasury budget for 1950-1951 provides for an appropriation of \$641 to refund "damages sustained in war actions by Bourbonic troops in the war campaigns of 1860-61." It was the last war fought by the troops of the late Ferdinand II, king of Naples, and of the two Sicilies 90 years ago. Commenting the news, a Rome newspaper said: "The thousands who suffered damages from World War II can therefore be assured that their rightful descendants will be reimbursed before the year 2040."

unfairly on the smaller ones. In this state of affairs the department, instead of revising the order to eliminate the inequities and restricting the use to not more than 90,000 tons, proceeded to grant additional quotas totaling 15,000 tons."

Seeking Cause of New Mexico Riot

Santa Fe, N. M., Nov. 21 (AP)—Authorities today sought the cause of a state prison riot which injured six guards, none seriously, and wrecked two offices and the prison canteen.

Warden Howard Gage said the hour-long uprising behind the New Mexico penitentiary walls yesterday may have been connected with one prisoner "who was out of line." He added that attempts to escape and rebellion at alleged mistreatment definitely were not reasons for the riot.

About 100 convicts armed with razors, knives, crude blackjacks, chains and pieces of pipe roved through the prison, overwhelming guards in the exercise yard, administrative office, canteen, laundry and tailor shop.

Prison guards and two dozen heavily armed state and city police quelled the convicts without firing a shot. They used several gas bombs.

Governor Duff Visits Guardsmen

Camp Stewart, Ga., Nov. 21 (AP)—Pennsylvania's Senator-elect Gov. James H. Duff spent today visiting former Pennsylvania National Guard units now under training here.

None the worse after a forced landing, Duff and his party arrived late yesterday by plane. A half-

hour later, they were in the reviewing stand watching a retreat parade by the 224th AAA group.

The plane was forced to land at Savannah, Ga., to refuel after bucking heavy headwinds along the eastern seaboard. It took off minutes later for this anti-aircraft artillery training center.

From here, the governor will go to Florida for a short vacation. His party includes Mrs. Duff and Maj. Gen. Frank W. Weber, adjutant-general of Pennsylvania.

WALNUTS FOR FARM REVENUE

Black walnuts produce more profit per acre than does a heavy yield of wheat. This fact is but one of many reasons why farmers should consider this tree as a sustaining source of revenue.

Many persons hesitate to plant black walnut trees because they think there will be a half-lifetime intervening before the tree comes into production. This is partly true of trees grown from planted nuts—seedlings. But from improved grafted nursery trees the grower may reasonably expect a few nuts in the third year and by the eighth year a yield of approximately \$10 to \$12 worth of nuts may be harvested from each improved tree.

Of course, black walnut values cannot be computed alone in terms of nuts. The tree produces one of man's most valuable timbers. Few other trees increase so rapidly in potential worth. Planting for timber is an excellent farm investment; for both timber and nut crops are incomparable ways to build future farm values.

Widely prevalent is a baseless rumor that black walnut trees spread a toxic organic compound from their roots into adjoining soils and thereby damage potatoes, tomatoes, alfalfa, fruit trees and

several other crops. This belief is shared throughout the country. Careful and exhaustive tests completely acquit the walnut tree of this charge. There is no evidence to support this theory.

Observation in years of severe drought shows that black walnut trees produce almost normal crops where most other farm crops fail. The reason lies in their deep rooting habits plus their rather light foliage. However, regardless of the explanation, the fact adds another important merit for farmers to consider. Here may be the one major revenue source when rainless weather takes a heavy toll of other farm revenue crops.

Improved or so-called pedigreed black walnut trees should come into maximum production around their twenty-fifth year when yields should exceed \$100 per tree. In fact, with consumer demands for the tasty nuts steadily mounting, it is probable that prices will remain relatively higher than those for other nuts. Such nuts as pecans, although marketing channels have been seriously clogged by governmental experimentalations in marketing control, may easily be over-produced. This condition is unlikely with black walnuts.

Many farmers retain sycamore and similar useless trees along creek banks and in other idle pasture nooks where black walnut trees should be growing, either for timber alone or both timber and nut production.

To grow this tree from nuts, which

PSYCHOSOMATIC IS DESCRIBED

Houston, Tex., Nov. 21 (AP)—Ever feel like no one wants to give you anything?

Too bad. That's a sign of a psychosomatic.

Psychosomatics, explains Dr. O. Spurgeon English, are persons who have bodily pains, one or more, that are directly caused by emotional disturbances.

The professor of psychiatry yesterday told the South Texas post graduate medical assembly that headaches and cardiac disturbances are among the common pains that

is preferred mainly for timber roles and nut production for home use, nuts should be stratified over winter or planted within the next few weeks. Fall planting requires some form of protection to prevent rats, field mice, squirrels and other animals from destroying the nuts. A small tin can with the bottom cut out and the top opened to a four-pronged shield will furnish this protection when pushed down over the planted nut. By the time the seedling is well started through the pronged opening, the body of the can will be rusted away.

The editor invites questions and letters from interested readers on this subject.

usually develop from emotional disturbances.

Persons most subject to these diseases, he said, have the following attitudes:

No one wants to give me anything.

Life has not been good to me and I'll be damned if I'll enjoy it.

PROOF!

that your best buy
in cooking is an
automatic **GAS** range

Boil, broil, bake, braise...

GAS is away out front!

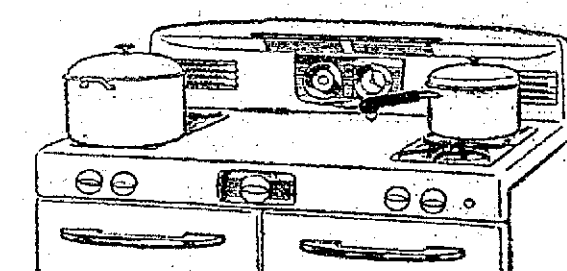

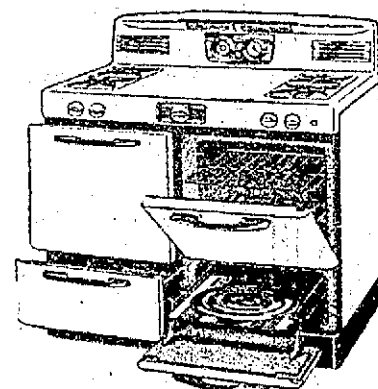

GAS gives you instant full heat!
Even a fraction of a minute delay—as in the case with some ranges—means wasted fuel. Get instant heat, cook faster, with GAS.

From boil to simmer at the turn of a knob!
With some fuels the change-over is gradual. With Gas it's instantaneous!

Stop boil-overs immediately!
The only way to stop a boil-over on some ranges is to snatch the pot off the burner. With GAS, when you turn the gas down, the boil-over stops.

Use any pans—with GAS!
Some fuels demand flat-bottomed, straight-sided pans that exactly fit the burner. GAS lets you use any pan you like—of any size or shape.

GAS burners last the life of the range!
Burners on some ranges burn out, must be replaced periodically. But GAS ranges have lifetime, non-clog burners.

Bake on any rack; get the same results—with GAS!

Radiated heat—as in some ranges—doesn't distribute the heat evenly. Heat by convection—as in GAS ranges—circulates the heat so you can bake evenly anywhere in the oven.

Broil with the door closed!
GAS eats up the smoke. With some other fuels, you must let the broiler door open, letting smoke and heat pour out into the kitchen.

Buy the low-cost range... use the low-cost fuel—GAS!

These are only a few ways to prove that your best buy in cooking is an Automatic GAS Range. See the beautiful new models tomorrow at your Gas Appliance Dealer's or Gas Company Office.
